

Longstone Community Council

Treasurer's report for 2021-22 AGM

At the December 2021 meeting, SC pointed out how our bank balance had reached over £2000 and that CEC require it to be no more than twice the value of the annual grant (£747). Consequently we needed to offload at least some £400. We had donated £400 in the previous year to Edible Estates.

He suggested donating £100 to four charities (Crisis/NHS Charities Together/Fresh Start/Home for Good). The meeting determined to donate to those, plus Juno and Friends of Hailes Quarry Park (£600 total). At the March 2022 meeting, we determined to send £100 to an appropriate charity: a church or the DEC Ukraine Humanitarian Appeal (it was sent to the latter).

We ended the financial year with £1238, only £239 less than at the end of the previous financial year.

See accompanying Financial Statement and Auditor's report.
