In Attendance: Parish Clerk Joanne Lowe,

8 Members of the Public

PUBLIC PARTICIPATION

A Member of the public raised an issue with an overgrown section of land on St John Cole Crescent with no-one maintaining it. Cllr Ramsay confirmed that it was not the Parish Council's land but will ask the Clerk to make enquiries regarding its maintenance. Another member of public suggested that they could be in breach of their S106 agreement which the Clerk will look into, as well as finding out when the land will be adopted by LCC Highways.

A member of the public voiced support for the installation of CCTV cameras as they are being affected by increasing amounts of anti-social behaviour on the park in recent years. Cllr Ramsay confirmed that the Council are taking this matter seriously but needed to weigh the project alongside various practical implications as well as ensuring private rights of residents. The residents suggested that the playground area is where most of the problems occur. The Council thanked her for her feedback.

A member of the public complained about overhanging branches on the footpath around the back of St John Cole Crescent. The Council advised her to submit a complaint to LCC PROW team who are responsible for maintaining PROWs.

Borough Councillor Chris Lambert gave an update on the Local Plan which is currently out for consultation. Following the Government's increase to local housing targets – amounting to 4500 properties in H and B over the next 20 years – will require the Local Plan to be amended during Regulation 19, which follows this current consultation.
