We tried to book a community skip earliest date available was may 17th this has been booked

6. Planning

No planning this month

7. Raydon report was discussed and decided to purchase monitors as only one room in centre was slightly above Recommended level looking for prices for
Undecided on model monitors to purchase

8. work had progressed well on the room refurb water has been supplied and now waiting for estimates electrical /flooring / ceiling and plastering.
Painting can be done with volunteers

A.O.B

It was discussed that the room far end of centre was untidy and someone had remarked an Interest in renting we have put £2000.00 in this years budget to do the work.

P Groom A H and DW to make a start on clearing

Because of the extra work needed to the old electrical system The £2000 was way to low and the budget would have to be adjusted accordingly

The serious matter of tankers taking sewage from the Hilton hotel on a daily basis and smell in the village during this time this has been going on since May 2021

The village residents have been patient putting up with this on the promise that work to connect to main sewer would be starting on 7th February 2022

We have had an update after much correspondence that the new start date for connection program start will be March 14th 2022

ALL we still have a vacancy for one more councillor if we can find someone who is interested and Willing to give their time forms are available for nominations to the may elections 022

GJ To put on Dolgarrog facebook page re-add for clerk and councillor
