3. **Matters Arising**

    3.1 Meeting format

    At the meeting outset, it was agreed that these meetings will be noted as 'interim' and we will resume normal agenda items once lockdown measures have eased and we are able to meet in person.

    AP to propose next meeting for a date in August, location pending as Highlife Highland are preparing to open the Leisure Centre facilities.

    3.2 Planning Permission

    It has been noted that there are structures being erected outside IV10 on the public footway, and residents have raised concerns over the safety of the junction, which is increasingly busy due to lockdown easing and the tourism industry starting up. RR to review planning requirements and clarify to CC.

    3.3 Newsletter

AP raised the opportunity to create a newsletter for the community to keep people updated. Various mediums for presenting updates were discussed, including Chatterbox. The CC engagement with Fortrose Academy was discussed and there are hopes we can collaborate on a newsletter and have students involved in the creation. TW to speak to Fortrose Academy to understand how we can work better together.

3.4 PPE Requirements

Current COVID measures require school pupils to have a clean mask everyday and there is an increased need throughout the school for additional PPE and hand sanitiser. The CC agree that we will support the need in some capacity. SP to review accounts as previous Treasurer passed the information onto her today (14/07) and let CC members know our position. AP will check with a local supplier if they are able to donate hand sanitiser.

AOCB

It was noted that the signatories have not yet changed in light of members resigning from the CC. To be followed up and rectified in due course.
