Stanton-on-the-Wolds is a great place to live! It is semi-rural but also enjoys excellent links to major roads. Part of the charm is the open countryside freely accessible by a network of public footpaths, which radiate from the focal point of the All Saints Church. If you would like to explore, with the help of a map, please contact Councillor Danielson who would be pleased to point you in the right direction. Trees are also an important part of the Stanton

Landscape and there are three areas which have Tree Preservation Orders (TPOs) placed upon them. If you know of any other significant trees which you feel are an amenity for the village, then the Parish Council would like to hear from you. Hedgerows are a corridor and habitat for wildlife and as such need to be tended appropriately. Could you encourage hedgehogs to venture in to Stanton by providing access to your garden?

The Annual Parish Meeting will be held on Tuesday 7th May 2024 when there will be an opportunity for residents to raise issues with both your Parish Councillors and your Borough Councillors. You will also be able to make any suggestions which could enhance the local Stanton environment.
