Parish Council Meeting – The next Parish Council meeting will be held on the 5th November at 7pm in the Church on Browns Lane, everyone is welcome to attend.

Parish Council Stated Aims – Two of the Parish Council stated aims are supporting individual constituents and campaigning on local issues. Items of concern which have been highlighted recently to the Parish Council are the condition of the Melton Road pavement towards the Village Sign, the inadequacy of the pavement section which leads from Melton Road to the new footpath and standing water at the stile on Willow Brook. These issues have been referred to the appropriate agencies and we will update residents once we have some more information. Do you have any recommendations or suggestions for continuing to make the village a pleasant and attractive place to live? Please get in contact with us if you do. One of the recent improvements the Parish Council has made is the bushes at the junction of Thurlby Lane have been pruned and the area tidied up which has made better visibility at the junction.

Nottsbus on Demand – The Nottsbus on demand, seems to be a very useful service for residents of the village. A resident from Melton Road writes “ I have used this service successfully to travel to Keyworth and Kinoulton, the booking was straightforward “. If you need any help with the Notts on demand bus service then please contact the Parish Council.
