Parish Council Meeting - The Parish Council met on Tuesday 2nd September. Four Parish Councillors, two Borough Councillors and one resident attended with the Parish Clerk and Finance Officer. There was a full agenda including an update on Tree Preservation Orders (TPOs) within the village. Full details can be viewed on the parish web site or at the office of the Clerk. Most significantly 20 trees along Browns Lane are now protected.

Village Notice Boards - The notice boards and village entry signs have recently been cleaned. There is a continuing issue with tidying the area around the village sign at the junction of Browns Lane and Thurlby Lane. Do residents know of anyone with the skills to repair and varnish the attractive sign created in 2000 by the local artist Neville Parker?

History Boards - History Boards are on the way. Two panels highlighting significant aspects of the village are being created.

Glass Recycling - Purple recycling bins for glass will be delivered to all households in the next few weeks. The first door step collection for the new bins will be in December. Residents will be able to see when they are being collected via the collection calendar that will be issued later in the year.
