Morning Jo,

Thanks for the reply.

I've just checked with [@Nadia Ansari](#) on the timescales, who can let us both know, but I think December is fine if the project isn't complex.

With regards to what is considered, we only really have limited funds available that could be used for minor projects such as line refreshing or a bench etc. -

As we are working on tight timescales, I think a line refresh may be the quickest and easiest option for you?

Best,

Bertie

Hi Bertie

The council are meeting in December, the council only meet quarterly so I will put on the agenda to see if there are any items we wish to bring forward for consideration.

Is this ok re: timescales?

Thanks

Jo

Morning Jo,

I just wanted to follow up on the below email again, as the monies are time limited and I want to make sure the community is able to access it?

Thanks,
