

September 2022 – County Council Update

Dear Colleagues,

Please find below some updates from the County Council this September, which your Parishes may find useful.

Thanks to those of you who got in contact over the past month with questions.

As always, please continue to stay in contact with me should you have an issue that needs addressing and I will investigate it as quickly as possible.

I hope you all had a lovely summer. My monthly reports will now continue until December, when they will stop again for the Christmas period.
