Meeting called to discuss planning application for Strathaven Road Sports Academy. Plans not clear looks like an outline plan, RF to confirm...

Agreed by all present that this would not be opposed as it was linked to local plan development and new community hall.

Discussion took place on the size of the community hall as an outline was presented on the sports academy plan. Agreed that some kind of layout must have been done for it to appear on these drawings.

Drawings would be circulated to other members before next meeting.

Community Hall

FOI information had been received and was presented at the meeting. Agreed that this would be put out at the next open meeting however a review of the information should be sought as the information emails dry up during 2006.
