### **Rail Extension**

The 2008 Feasibility study had been circulated and given the cost benefit ratio ruled out an extension from Larkhall however if links from Hairmyres to Strathaven were being looked at then the possibility of a link to Strathaven from the west of the village could be investigated. A development of this nature should be included in village plan questions to determine feeling for this.

Again a watching brief to be kept on this.

# Pharmacy application

No update but last correspondence had been a letter from the secretary supporting the application and seeking to be included on face to face consultation. This had been acknowledged.
