2. Hawksland Community Group

We have been contacted by Hawksland Community group about joining a steering group, which would deal with funding from Brokencross wind farm. We are going to ask a representative from the community group to come along to our next meeting to give us more information. The wind farm has been approved for planning by South Lanarkshire Council and it will take a few years before funds are issued.

Ailsa advised we would have more of an update on the potential use of the Kypemuir funds to upgrade the parks in Lesmahagow after the next meeting.

Mark will have this for our next meeting or will forward this onto us soon.

5. Micro Grant

We had used the full £5000.00 given to us by South Lanarkshire council and this was split equally over 10 different community groups. Mark will complete the required paperwork so we can receive the funding for 2021-2022. We will discuss at the next meeting when and how we will advertise this.

6. A.O.B

At the next meeting we will look at advertising for new members, we have also agreed that we will sell the trailer and we will advertise this shortly.
