

Demolition of No1 Langdykeside & Temporary Closure of Pend

South Lanarkshire Council will be demolishing the building at No1 Langdykeside (outlined in red in the plan below). Works will commence on site on Monday 25^{th} October and are due for completion on Friday 26^{th} November.

These works will remove a dilapidated building which is presently in an unsafe condition. To ensure the works are completed as quickly and as safely as possible, it is necessary to close the pend (marked in blue on the plan above) to all pedestrians and vehicles for the duration of these works.

South Lanarkshire Council apologises for any inconvenience that these works may cause.
