Bakewell 10 June 2012

Today we have two coaches for our trip to Derbyshire and the White Peak. We'll have a brief stop at Buxton before heading south to the Derbyshire Dales.

It's a fantastic area with the beauty, flora and fauna of the limestone but without the moorland tops of the South Pennines that we both love¹ and hate².

NB: The walks will drop off in alphabetical order. The "A" walk is starting before the rendezvous at Buxton so anyone intending to do this walk will need to be ready soon after Glossop. The "D" walk will be the last off so anyone intending to do this walk *must remain on the coaches at Bakewell* for the short trip to Baslow.

Today's Walks

A Walk Harvey Thompson

13 miles Moderate

Starting just before Buxton we have a short climb to view the massive "man-made" complex of Waterswallows and Tunstead Quarries. After passing through Chee Dale Nature Reserve we go up to join the former Midland Railway Line. Soon we detour from the line to follow the River Wye down a series of gorges which are deep and narrow with steep cliffs rearing up the sides. At Monsal Head the river widens providing a spectacular view over the Wye valley and its famous viaduct. Passing through the wonderfully named Water-cum-Jolly Dale, Putwell Hill and Pineapple House Farm it is almost an anti-climax to reach Bakewell but it is certain the day will be remembered.

13 miles with 1312ft (400m) ascent, on well established paths.

B Walk Trevor Whittaker

10.5 miles Moderate

Starting from just off the A6 we travel through the SSSI designated Deep Dale with its orchids and lily-of-the-valley. Then it's across the wild flower meadows of High Low to Monyash village where the "king" and "queen" trees on the green celebrate the coronation of George V and Queen Mary. From there we'll drop down into the limestone valley of Lathkill Dale which is home to the rare Jacob's Ladder and follow it to the 18th Century Conksbury Bridge before turning for Bakewell. Overall, a walk that shows the beauty of the Derbyshire Dales at this time of year.

C Walk Brian Chaddock

8 miles Moderate

From the coach Park we will leave via Station Road and cross the golf course, then up a steep path through a wood to the top of a hill where there are wonderful views. A short road walk followed by a track will take us to Edensor [Tea Room!]. Then down in to the grounds of Chatsworth.

A river walk to Calton Lees, over the hill and fields, down across the golf course again and back to the coach.

D Walk Sue Baxendale

7 miles Moderate

Alight from coach at Baslow. Take minor road into Chatsworth Park to pass Queen Marys Bower and cross the river. Continue to the village of Edensor (hopefully ice cream stop).

Walk uphill to New Piece Wood to gain good views of Chatsworth House then down to Carlton Plantation. Up again through fields to Manners Wood then down minor road to pass Bowling Green Farm and then field paths into Bakewell. Two uphill sections but plenty of time, maybe muddy patches in the woods but no stiles to climb over.

Pick-Up Times and The Return Journey

One pick-up point for this trip:

06:00 PM Bakewell Agricultural Way car / coach park (usual place) Walks: A, B, C and D.

Due to the extortionate parking costs in Bakewell the coaches may not be at the car park until 04:00 PM.

The Burnley coach will drop of at Padiham first and the Blackburn coach at Darwen first. Any additional toilet stops or drop-off points are at the discretion of the couriers; these must though take into account everyone's desire to get home quickly and any restrictions with drivers' hours.

Our next trips

Today we'll be taking bookings for Kirkby Stephen (08 July), Ruthin (05 August) and Broughton-in-Furness (02 September). Ticket cost is the usual £13:00 / £6:50. After today then contact Robert by email (bookings@coach-rambles.org.uk), telephone (07795 250502 / 01282 798145) or on-line at www.coach-rambles.org.uk/book.

Promote, Promote!

We're doing Ok; numbers are fine and, critically, our finances are improving. Like many places (e.g., Greece, Spain) we could do with a bit more in the bank but our situation is, for now, stable.

With more people though we can start to reduce the ticket price and travel time; it's all about numbers. The couriers have supplies of our usual posters plus 500 new leaflets available. If you can help by taking a poster or two, or can think of a location where we can drop a supply of leaflets off then it would be appreciated.

² Such as lumpy boggy moorland and wet feet
