Ashbourne 11 May 2014

Today we have two coaches for our trip to the White Peak with our meeting point at Buxton.

Special notes for today are:

- the A walk is staying in the Buxton area and will finish at Whaley Bridge rather than
- the D walk will finish in Swinscoe village so there could be a delay in getting to Ashbourne

Finally, thank-you for your help: We've made the morning stop as slick as we can over the past few trips. This has really helped the logistics for the day and has also opened up the possibility of new destinations for next year.

Today's Walks

A Walk Harvey Thompson

Off first just after Buxton

141/2 miles Moderate

From the South of Buxton our route follows the Dane Valley Way over Axe Edge Moor and onto Orchard Common. We begin to walk north and visit the waterfall above Pannier's Pool. We pass the Cat & Fiddle for a short dart on Britain's most dangerous road! Up onto the top of Shining Tor at 1834' the highest point in the area. The views are splendid. Following the Tors Ridge we reach Taxal Edge and drop down to Whaley Bridge our coach pick-up point.

The walk is 141/2 miles long on recognised paths with 1640' of ascent.

B Walk Alan Bennett

Off second on A515

101/2 miles Moderate

Starting from the A515 we cross the disused railway and follow the valley down to Coldeaton Bridge where we meet the River Dove. Turning south we follow Dove Dale to Milldale and by all the features that the Dale has to offer to finally emerge near Thorpe Cloud.

Now decision time: do we go up and over Thorpe Cloud for some impressive views or do we just continue down the valley? Both options are available and either way we get to St Mary's Bridge and then field paths by the river to Mapleton before picking up the disused railway into Ashbourne.

A lovely 10.5 mile walk with a maximum of 400m of ascent.

C Walk Gillian Whittaker

Off third on A515

81/2 miles Moderate

Starting from the picnic site north of Ashbourne we head for Shining Tor above Mil Dale. Dropping down we enter the lovely Dove Dale and follow the river south for to emerge near Thorpe. Then it's on to Coldwell Bridge and Mapleton before picking up the disused railway into Ashbourne.

A lovely 8.5 mile walk in the Derbyshire Dales with 280m of ascent.

D Walk Robert Eccles

Off third on A515

6 miles Moderate

Starting from the same point as the C walk we head over fields to The Nabs where we drop down to Dove Holes and then take in all the ups-and-downs and high-lights of Dove Dale; it is a lovely valley. At Coldwell Bridge we'll pick up the Limestone Way to Swinscoe where the coach will pick us up for the last part of our journey to Ashbourne.

A moderate walk, despite a total ascent of 350m, with great low-level views of a lovely area.

Pick-Up Times and The Return Journey
