

## Bowness – 3 September 2023

### A/B Walk Details

Leader: Tony Culverhouse  
Distance: 10 miles moderate

#### **Off Second**

We will head south-east from Bowness to Lindeth, then south-west to Barker Knott. We continue in a southerly direction to Rosthwaite Heights and Ghyll Head Road. We then head north past Rubbuts Hill and Scout Hill. Our journey continues across Undermilk Common to Lindeth Lane. This takes us to within a stone's throw of Bowness where we climb to the viewpoint of Brant Fell with views over Lake Windermere.

### C/D Walk Details

Leader: Michael Bates  
Distance: 6.5 miles, with the option of a shorter walk of **just over 3 miles**, both moderate

#### **Off First**

We leave the coach in Windermere, walking in the direction of Orrest Head, climbing steadily to the summit. From here there are amazing views of the lake and the mountains beyond making this an ideal spot for an early lunch. We leave here downhill in a northerly direction towards Causeway Farm, emerging on to a country lane. The lane is followed initially eastwards and then southwards eventually meeting the A591, which will be busy so cross with great care. At this point, those opting for the shorter walk will follow this road back into Windermere from where there is a decent bus service down into Bowness. Those remaining will continue in a southerly direction along paths crossing a railway line following which we will join the Dales Way shortly before Cleabarrow. Keeping to the Dales Way the tracks turn in a more westerly direction prior to taking a steep descent into Bowness.

The walk is on good paths, tracks and country lanes with only 3 stiles. There are some steps on the ascent to Orrest Head.

### Could you lead a walk for us?

We are desperately in need of walk leaders for our coach trips! Leaders must be a member of Ramblers and must have previous walk-leading experience.

Walk leaders receive a free coach seat on the trip that they are leading for and £20 towards expenses for completing the recce of the route. Support is available with planning a route and travelling to the destination for the recce.

If you are interested, or if you have any questions, please email Lynn at [nelcoachrambles@gmail.com](mailto:nelcoachrambles@gmail.com) with details of your experience.
