

# Pateley Bridge 05 February 2023

Thank you for booking on my first coach as Coach Secretary! Today we are visiting Pateley Bridge at the heart of Nidderdale. Please let me know if there is anything you would like to see on this information sheet in future!

## Today's Walks:

### **B Walk Tony Culverhouse**

**Off First**

**9.5 miles moderate**

We will get off the coach at Greenhow Hill and head East along the Nidderdale Way (NW) to Ladies Rigg and Eagle Hall. We then leave the NW and head South through woodlands, climbing up on to moorland overlooking Pateley Bridge. During our ascent, we rejoin the NW which goes on to alternate between moorland and woodland with views out over the Nidderdale Valley. We then descend into Hawkshaw Gill Wood before looping North to meet the River Nidd, which we follow back to Pateley Bridge. Some steady ascents - nothing too strenuous.

### **C/D Walk**

**Jane Cordingley**

**Off Second**

**7 miles moderate**

Leaving the coach park, we head in a North-Westerly direction on field paths following the River Nidd and then Ashfold Side Beck, via a caravan park to Ashfold Side. Heading Easterly, we climb gently to reach the hamlet of Heathfield and then head downhill to rejoin the River Nidd at Wath (option for drink stop at pub, time allowing). We then rejoin the Nidderdale Way, following the River Nidd back to Pateley Bridge. A fairly low-level walk with a total ascent of 980ft, and a small amount of road work. Possibly muddy.
