Llandudno is a coastal town in north Wales. It's known for North Shore Beach and 19th-century Llandudno Pier, with shops and a games arcade. Northwest of town, the cliffs of Great Orme headland jut into the sea.

On this trip there will be a B walk to the Little Orme.

The C & D walkers will explore the Great Orme, The Summit Trail, the Historic Trail or the Nature Trail.

These walks offer spectacular views of Liverpool Bay, the Carneddau range, the Menai Strait and Anglesey. The Great Orme consists of mainly limestone grassland, with heathland, limestone pavement, scrub, woodland and sea cliffs. It is of importance for its landscape, wildlife, geology and its history.

You can view and download the Route Cards and maps [HERE](#) if you want to do your own thing.
