

WESTMORLAND GEOLOGICAL SOCIETY

E-MAIL NEWSLETTER No. 67 - March 2022

AGM

The AGM was postponed last month because one of the storms at that time. The AGM will now take place before the next lecture on the 16th March. Myles Sunley has decided to retire from his position of Treasurer at this AGM and Chris Anderson who is standing down as Chair has volunteered to take his place. A revised agenda with these changes is attached.

March Lecture

The AGM will be followed by a lecture by Dr Ian Davidson of the Royal Holloway College, London who will be speaking about salt domes. A poster giving more details about this subject is attached along with this Newsletter.

If you would like to meet the speaker and other Society members for a meal at the Brewery please let Richard Wrigley know at subandean@gmail.com or on 07591420876

And don't forget that an additional lecture has been arranged on 20th April when Prof Jonathan Redfern of Manchester University will be talking about the geology of Morocco.

February Lecture

Hugh Tuffen's Presidential Address is now available to view on YouTube. The link is:-

(Note that is not a full stop at the end - it is part of the link)

Tuesday Tutorial

The final Tuesday Tutorial of this season will be on 22nd March when Richard will be introducing us to the subject of Stratigraphic Logging (Abbot Hall at 2 pm). This will be followed by a field excursion to put what we've learnt into practice on a date to be arranged.

Down to Earth

The March issue of Down to Earth extra accompanies this newsletter.

Subscriptions

There are still a few subscriptions outstanding - if you have not yet paid contact Brian or Chris.
