

## **The Ramblers - St Andrews & N.E. Fife Group**

Undeterred by the dismal weather forecast, St Andrews & NE Fife Ramblers met in Cupar for their final walk of 2020. Keeping an anxious eye on the clouds overhead we set off along the Moor Road towards Ceres. There we stopped at the Village Green and playpark for our coffee break and delicious homemade mince pies kindly provided by our walk leaders. Only one of our number could not resist the temptation to try out the play equipment – no prizes for guessing who! Suitably refreshed, we joined the Pilgrim Way for a short while, heading in the direction of Pitscottie. It was on this stretch that your correspondent, quite oblivious to the direction taken by the leader, attempted to lose her fellow walkers by overshooting the same left turn into a field that she had missed on her previous walk here. At Pitscottie we crossed the Ceres Burn and followed it briefly before making a short ascent to the main road. Then it was on towards Cairngreen Wood and lunch under the trees. Setting off again as the temperature was beginning to drop, we soon rejoined the Moor Road and made our way back to Cupar. The forecast rain had passed us by and despite the wet and muddy conditions underfoot we thoroughly enjoyed this 8-mile walk in the winter countryside.

For the time being we are not preparing a full walks programme, but details of any planned walks – which are open to guests as well as members of Ramblers – can be found on our website [www.standrewsnefiferamblers.com](http://www.standrewsnefiferamblers.com)
