

The Ramblers - St Andrews & N.E. Fife Group

Eight walkers turned out for St Andrews and North East Fife Ramblers' circular walk from Tayport to Tentsmuir at the end of May. On arriving at our meeting point at Tayport harbour we were pleasantly surprised to see almost clear skies and bright sunshine – a welcome change from the persistent haar that had been looming over us throughout the week. Setting off along the shoreline towards Tentsmuir Point, we stopped briefly for coffee and to enjoy views across the Tay

interspersed with eerie drifts of mist still swirling around the edge of the estuary. We then continued along the heath for a spell before turning towards the forest and a pleasantly sheltered spot for lunch. So relaxed were we after our break that we seemed more like 'amblers' than Ramblers as we meandered along in the dappled sunshine and back to our starting point. A very enjoyable excursion and another opportunity to appreciate the beautiful coastal and woodland scenery on our doorstep.

Pile Lighthouse through the haar

For the time being we are still keeping our walks local to Fife, with a maximum of 15 people on each walk. Details of our walks – which are open to guests as well as members of Ramblers – can be found on our website www.standrewsnefiferamblers.com
