

The Ramblers - St Andrews & N.E. Fife Group

Twelve members from the St. Andrews group and one visitor from Livingston gathered at the North car park in Blairadam forest to go on a 6.5-mile walk through the paths and trails of the forest. After a quite hilly start we sat down to enjoy a short drink stop before carrying on up to the top road which takes you out onto the B road from Cleish to Dunfermline. During our walk along the top road we encountered a couple of noisy Labradors who seemed to like the sound of their own voices, but once we had all gathered beside them they soon quietened down - just 'big softies' according to their dog-walker. After meeting the B road we headed down towards the middle road leading back towards the car park, and during our walk down the hill we sat beside the road to have our lunch. After returning to our cars we headed to Lochend farm shop for post-walk refreshments, which were very much needed after walking in full sun during most of the walk.

Our next walk is on Saturday 26th July, a 6.5-mile walk at North Queensferry on paths and tracks following the Fife Coastal path beneath the road bridge and Queensferry Crossing to St Margaret's Marsh, returning via the Pilgrim Way. All of our walks are open to guests who would like to try out The Ramblers, and full details can be found on our website www.standrewsnefiferamblers.com
