### ***Petition - Please Consider Signing***

## St Andrews - Guardbridge Path

A key section of the cycle path between St Andrews and Guardbridge is not safe – for cyclists or pedestrians. We (SASC) are gathering signatures to demonstrate to Fife Council the need to prioritise investment in improvements without further delay.

## SASC

## St Andrews Space for Cycling

SASC is a long standing local cycling campaigning group.

With Fife Council & others they have established The Active Way as a project and the button below gives you more details.

[The Active Way website](#)

# Potholes

Potholes and other road defects can vary from being a nuisance to being a major hazard and cause of accidents.

## **FIFE COUNCIL - POTHoles AND ROAD DEFECTS REPORTING**

<https://www.fife.gov.uk/services/form-pages/report-a-road-or...>

<https://www.fife.gov.uk/news/2023/fife-council-fighting-the-...>

**Nationally - Cycling UK campaigns for better roads for cycling and promotes the 'Fill That Hole app' that you can download and take with you on your mobile phone to use to get a report about a road defect to the relevant local council**

**<https://www.fillthathole.org.uk/>**
