Culbokie Lockdown Challenge

With group activities on hold during lockdown, here's a fun wee challenge – cycle to as many of the following places as you can, and let us know how you get on, maybe with a selfie or two. Email us at cycling@culbokiect.org, or Club members can post on [our Facebook group](#). To help plan your routes, have a look at [this map](#). And if you aren't a member yet but fancy joining the Club, fill in [a membership form](#) and send it back to us.
