Rose & Crown News

Shea Keegan writes: "Thanks to everybody who has patronised my take away meals service at the Rose

and Crown, particularly the Sunday lunches. We are now getting the hang of the Sunday lunch production. The first weekend there was a long queue outside the pub – made longer by everybody keeping the correct distance apart!

The second Sunday Jerry Burbage kindly agreed to deliver meals within the village both sides of the A34, to reduce the queue of people collecting meals. There were some delays because I work on my own in the pub, cooking and serving the food in take away containers. Now we are getting more experienced at it, and last Sunday, 19 April, we did a lot better. The Sunday lunch menu is available 12.30 – 3.00pm.

I have adjusted the weekday take away meals service in the light of experience. It's now available Mondays to Saturdays 6pm to 9pm. There was hardly any demand at lunch time. I added Fish and Chips last week and this is a popular dish, alongside Irish Stew, Chicken Curry and Pizza. Phone me on 01235 862992 to order.

I look forward to continuing to serve you through the side window during the period of lock down, and even more to see you inside the pub when we are allowed to open properly again!"

Garden Waste Service

The Vale is now taking new customers for the garden waste service (Brown bins). The service costs £49 per year and is an annual subscription paid by direct debit. As the council offices are currently closed to the public, at this time they can only take subscriptions online.

For more details see the garden waste pages on the www.whitehorsedc.gov.uk/services-and-advice/recycling-rubbish-and-waste/garden-waste

The service will also take extra garden waste (equivalent of another brown bin eg three bin bags) on the following collection weeks:
11-15 May
