The End of an Era

For nearly nine years John and Hilary Alner have been manning the fascinating White Elephant stall for the Charity Market. During Lockdown their enthusiasm has not been repressed and they have opened up their garage and forecourt to passers-by in Dene Hollow. They raised a fantastic £400 for Brain Tumour Research .

They have now decided to finally retire and we thank them so much for their untiring energy and commitment which has helped to raise thousands for local charities. Markets will not be quite the same without them but we will try to maintain that happy energetic atmosphere. Thank you so much Hilary and John .

Charity Market

We plan to run our first charity market since lockdown on Saturday 12th September. The charity we will be supporting is the Oxfordshire branch of Crohn's and Colitis UK. Liz Robbins will be baking her famous chicken pies and cheese tarts. There will also be cakes, fruit tarts and crumbles, focaccia, home-made jam and other home produce . There will be a book stall and some plants but sadly no White Elephant. The market is held on Crafts End Green between 9am and 12 noon. Any enquiries to the Goodall's on 01235 834503, at 43 Crafts End or thegoodalls43@outlook.com.

Sales at 43 Crafts End

During lockdown and whilst we have been unable to hold the markets books, plants and face masks have been on sale on the drive at No. 43.

To date book sales have raised £245 for Chilton Mutual Aid and the sale of face masks, plants and home produce has raised £375 for Brain Tumour Research. Thank you to Pauline for initially creating some beautiful face masks.

During August the books will still continue to raise funds for C M A and face masks, plants and home produce will raise funds for the Oxfordshire branch of Parkinson's UK.

Thank you to everyone who has been able to support these ventures.

Cryptic Quizzes

The cryptic quiz on flowers was won by Chris Druce with a great score of 49.5 out of fifty. The quiz raised £163.50 for Christian Aid.

The next quiz, No.59 , is now out and is on a theme of Sporting Venue. It is to raise funds for the Oxfordshire branch of Crohn's and Colitis. Quiz sheets are available from The Goodall's , Atomic Hair and Audrey Slater at 9 Latton Close. Thank you all for supporting these charities.

Hello from Hayleigh & Sarah Update from your Local District Councillors

Hello! It is still hard to believe how much things have changed in the past five months. Just as we had all started to adapt to lockdown life, it seems that the Government are now easing the restrictions at pace. As we try and adapt to the "new normal", we hope that you and your families are keeping well, staying safe and taking on the changing situation at a pace which suits you. We're now experiencing a summer period without the usual community events and activities that we all so enjoy. However, we hope that Chilton residents are still able to make the most of the sunny weather and the school holidays, by spending quality time with family and friends in a socially distant way.

As the council itself is now also returning to a new kind of normal, we will keep you updated on the council's response to COVID-19 through these newsletter articles, as well as on our dedicated councillor Facebook Page: Cllrs Hayleigh Gascoigne & Sarah Medley.

As always, please do not hesitate to get in touch with any issues or concerns - our email addresses are hayleigh.gascoigne@whitehorsedc.gov.uk and sarah.medley@whitehorsedc.gov.uk.

Drone Flying and Personal Privacy

Whilst flying of drones can offer much enjoyment when equipped with cameras they can also pose a challenge to personal privacy. Some useful guidance on how to respect the personal privacy of others who may be in the vicinity, and so comply with the Code of Practice published by the Information Commissioners Office, is given by the Aviation Systems Group on their website <https://asg.ltd/drones-and-privacy-law/>. This guidance makes it clear that the pilot has a responsibility to consider the surroundings when flying a drone to ensure that the privacy of others, such as in their back garden, is respected.
