## **Chilton Churchyard Working Party**

### **Saturday 5 November**

Volunteers are needed to help with tidying up All Saints' churchyard on Saturday 5 November from 9.00am and finishing in time for lunch. This is open to everyone in the village, we would love to see lots of people come and give a helping hand for as long as you like. There are lots of jobs to be done to tidy up before winter and to have it looking good in time for the Remembrance Day services.

The main jobs are weeding the borders in the Garden of Remembrance, trimming and tidying round grave stones, and of course raking leaves.

While we have some gardening tools if you are able to bring your own it would be really helpful, not forgetting the gardening gloves.

Thank you

For more details please contact Judith Russell on 01235 832484.

## **Village Brown Bin**

Oxfordshire County Council in recent years has reduced or abandoned the cutting of grass verges and road sweeping in the village.

If any public-spirited residents wish to weed, trim back or tidy an area of the village in the public domain a Parish Council brown bin is available in which to place the waste generated. Additionally householders are reminded that hedges that overhang footpaths should be trimmed regularly.

The Parish brown bin is located at Layton Cottage, Main Street in the custody of Keith and Jane Woods. If you wish to use it, please call 831750 to arrange this and to check that it is not in use, or indeed already full. This bin is not for your private garden waste, but

merely for weeds, trimmings and similar debris (but no soil) from public areas.

Volunteer work undertaken so far includes collecting cut grass from the upper green in Main Street, weed removal, cutting back foliage on Church Hill, the underpass path, Jubilee Bridge, planted tree maintenance around the Playbuilder area and on Lower Road.

Please help keep your village tidy.
