1. Respective responsibilities of the body and the auditor

This smaller authority is responsible for ensuring that its financial management is adequate and effective and that it has a sound system of internal control. The smaller authority prepares an annual return in accordance with proper practices which:

- summarises the accounting records for the year ended 31 March 2017; and
- confirms and provides assurance on those matters that are relevant to our duties and responsibilities as external auditors.

Our responsibility is to review the annual return in accordance with guidance issued by the National Audit Office (NAO) on behalf of the Comptroller and Auditor General (see note below). Our work does not constitute an audit carried out in accordance with International Standards on Auditing (UK & Ireland) and does not provide the same level of assurance that such an audit would do.

2. 2016/17 External auditor report

(Except for the matters reported below)* on the basis of our review of the annual return, in our opinion the information in the annual return is in accordance with proper practices and no other matters have come to our attention giving cause for concern that relevant legislative and regulatory requirements have not been met. (~~delete as appropriate~~).

(contir) There is a breach of Proper Practices, regulations or legislation which we have noted in our opinion - please see enclosed report.

The following issues have resulted in the annual return being qualified. They indicate either a breach of proper practices or legislation and they require the smaller authority to take immediate action to rectify these issues.

Fixed Assets

What is the issue?

The smaller authority has not included all additions or replacements of fixed assets, in the year in box 9 of Section 2 of the Annual Return

Why has this issue been raised?

The value of fixed assets included in the Annual Return appears to be under valued.

What do we recommend you do?

The smaller authority must ensure that the value of its fixed assets is correctly stated in Section 2 of the Annual Return. The value of all fixed assets must be recorded in the fixed assets register. Assets may comprise of land, buildings, plant and equipment, vehicles, notice boards, street furniture etc, property that will be of economic benefit to the meeting over a period substantially longer than one financial year.

The smaller authority must ensure that the register of assets is updated to record all additions and disposals of assets on an annual basis.
