Comments
The majority of the Parish Council did not object to this application. Although it is not normally considered as a material consideration the Parish Council is aware that there was a development covenant between the Vale and the previous landowner restricting development on this land.
Given the importance of the green corridor adjacent to the A34 referred to in a recent Appeal (Lower Road Chilton) the Council would not wish permission for this application to provide a precedent for built development on the adjacent fields west of this site including the applicants remaining land.
6. Application by Raymond Brown Minerals & Recycling Ltd, A1 Omega Park, Electron Way, Southampton, Hampshire, SO53 4SE for the Non-material amendment for increase in the size of the hardstanding and internal track, additional storage bay, and realignment of internal fence of planning permission MW.0187/12 at Prospect Farm, Chilton, Didcot
Comments
The Parish Council fully supports this application.

The Chairman closed the meeting at 9.00pm
