Comments The Parish Council has no objections in principle to this application. However, the Council is concerned about the impact of light pollution on Severn Road residents, Chilton Field Way and the AONB. The Council felt there was a lack of clarity regarding light pollution.
8. Application for Removal of Conditions 5 (Garage Accommodation) on application P20/V1034/HH. Demolition of existing garage and conservatory, erection of two storey side extension. 22 The Orchids Chilton P20/V2807/FUL
Comments The Parish Council objects to the removal of Condition 5. The Council has a general principle of objecting to the removal of parking spaces from existing properties unless alternative parking provision is made. No alternative provision has been made and 1 parking space

is insufficient for a three bedroom house. It should be noted that Photo 1 is misleading as a car is regularly parked there.
