

- Site boundary
- - - Proposed new settlement boundary
- 01** Potential access
- 02** Potential on-plot residents' parking
- 03** Potential visitor parking
- 04** Existing hedge retained, clipped to achieve visibility requirements
- 05** Potential additional screen planting to supplement existing hedge
- 06** Potential new dwellings
- 07** Potential footway access to new dwellings

Notes:

Initial review of visibility splays undertaken to inform layout and access. Highway boundary data required and full technical review to be carried out at the appropriate time along with a site specific speed survey.

Layout assumes retention of existing overhead wires
