

Season's Greetings
from all at
Raunds Community Library

Raunds Community Library Trust would like to wish our library users a very merry Christmas and a healthy New Year. We thank all our volunteers and supporters for your continued commitment to the library - your efforts and endeavours have not gone unnoticed, and we know that these are greatly appreciated by the community.

After a worrying start to our year, we are delighted that it ends with such positive news that the future of the library is now secure thanks to the partnership between ourselves and Creating Tomorrow Trust, who are based at Chester House.

Early in the New Year, we hope to be able to share our exciting plans about the development and improvement of the library so that it adds even more value to the community.

RCLT and Creating Tomorrow pass on their thanks North Northamptonshire Council, Raunds Town Council, and the county-wide library service for their support in securing a bright future for such a valued resource for the town and surrounding villages.

As we approach the festive season, just a reminder that our Christmas opening hours are:
