Minutes of the Royal Burgh of Selkirk and District Community Council Meeting held on Monday 17th June 2024.

1. Present – Community Councillors: Andy Murray (Chair), Alisdair Lockhart (scribe for the meeting), Ed Strang Steel, Ian King, Grant Kinghorn, David Playfair, Sue Bremner.

Also present – 8 members of the public; SBC Councillors Caroline Cochrane (CC), Leagh Douglas (LD).

2. Chair's Introduction – AM congratulated all those associated with the organisation of the 2024 Common Riding on another successful series of events. He congratulated Graham Coulson on being awarded an MBE in the King's Honours List for services to Scouting, while noting that Graham is also the unsung organiser behind the scenes for many local events, particularly those in the Victoria Halls involving catering, as well as being a mainstay of the Selkirk Musical Theatre Company.

AM mentioned two ceremonies organised by David Deacon of the Selkirk & Etrick Forest branch of the RBLs to commemorate D-Day: a 'D-Day 80' Beacon was lit at dusk on 5th June at the War Memorial, commemorating the night before the Normandy landings, and a separate short service was held at the War Memorial on the morning on Friday 6th June, accompanied by a piped lament. AM said he would like to see the full Community Council represented at some events throughout the year, and perhaps one of these could be the Remembrance Sunday march on Sunday 10th November at 10:40am. AL reminded AM that the SCC had been well represented at these events in previous years.

Notifications: there is a new consultation about the transfer of two small cottages and an 0.82 acre field on the Linglie Farm estate to the current tenant, who wishes to retire. A tenant is entitled to a payment at the end of a tenancy, referred to as a relinquishment payment, and this transfer would substitute for that. The consultation is on the SBC website, with a link on the Community Council website, and it closes on July 18.

AM reminded all about the 'Harris Fest' music festival at Selkirk RFC ground on Sat 22 June at 1:30pm. Headliners will be Frightened Rabbit's Billy Kennedy's new band Haiver and the event is to showcase young local talent.

AM announced that the speed camera installed on Hillside Terrace is now operational.

AM reminded all that registration for voting in the July 4th General Election closed on 18th June at 11:59pm. SBC website has details of voter registration and how to check.

3. Apologies – Alistair Pattullo, Judith Thompson, Elaine Thornton-Nicol, Kirsty Lovatt

4. Approval of the minutes – proposed by E S S, seconded by DP and approved

unanimously.

5. Matters arising from the meeting of the SCC held on Monday 13th May 2024 and not covered elsewhere.

AM asked about progress on the High Street statues report. CC reported that further requests had been made for relevant costings, including insurance, so the full report would not be available for a couple of months. **Action: CC**

AM reported on follow up to query about current and future Selkirk Health provision. Current Practice Manager Lorna Fyfe is moving to NHS Lanarkshire in early July, but GP Partners will respond more fully. Meanwhile the Partners have engaged 2 GP Locums, and appointed a salaried GP, starting in September. Selkirk is also to become a host practice for the NHS Borders GP Fellow initiative, offering opportunities over 12 months to newly qualified GPs; this 'placement' will start in early August, with a GP joining the team 2 days per week.

MOP 4 returned to the issue of public toilets in the town. AM stated that SBC was under no legal obligation to keep all toilets open, and they are quite expensive to maintain [*Minute Update: Scott's Place toilets cost £7,800 per year to maintain when open*]. AM stated that provision for members of the public to have access to toilets was and would be part of the scrutiny of the new Co-op, due to open on Scott's Place.

MOP 5 raised the issue of speeding vehicles up Kirk Wynd. CC and LD have both raised the matter with the police, and LD will bring it up again. **Action: LD**

AL commented on the successful and impressive 80th anniversary celebration of the military success of the D-Day Landing and the commemoration of all who fought in this campaign, some failing to return. While D-day was the “beginning of the end” as Churchill had described it, AL suggested that of more importance was VE Day, when hostilities stopped on the European continent. AL asked whether similar 80th commemorations of VE Day were planned for 2025 and it was agreed that he should make appropriate enquiries.

Action: AL

There being no further business, the Chair thanked all for their participation.
Meeting was closed at 8:38 pm.

Next meeting will be held Monday 8th July 2024 in the Cruickshank Room, Victoria Halls, Selkirk at 7.00pm.
