

Royal Burgh of Selkirk Community Council Equalities Statement

The Royal Burgh of Selkirk Community Council is committed to implementing and promoting equal opportunity for all in all its activities. Our community council does not discriminate against anyone on the grounds of age, disability, gender, gender reassignment, marital status, race, poverty, religion, health, pregnancy & maternity or sexual orientation either by way of membership, volunteering or participation.

We realise that discrimination exists in society (whether protected by law or not) and endeavour to prevent unfavourable treatment where unlawful or unfair discrimination occurs.
