#WeSupportKeepSafe

Wednesday 13th March is National Keep Safe Awareness Day.

Keep Safe is a partnership between I Am Me Scotland and Police Scotland, and was originally developed to support disabled to participate in community life, free from fear of harassment and abuse. However, the initiative has received wide support and has continued to evolve to become a national network with over 900 Keep Safe places throughout Scotland. The initiative is available for anyone to use if they feel lost, scared, vulnerable or simply need some breathing space.

Keep Safe places can be any places, such as, libraries, cafes, council buildings or town halls. I have put a list of Scottish Borders Safe Places below. All Keep Safe places are identified by having the Keep Safe logo displayed in their window (see logo above), on their website and the Keep Safe Scotland app. A note of participating businesses is also shared with Police Scotland control room handlers.

As part of the process to become a Keep Safe Place, staff are trained on disability awareness and how to help someone who requires Keep Safe assistance. Finally, you can find more information on by clicking the link: [About Keep Safe \(iammescotland.co.uk\)](http://iammescotland.co.uk)

Tackling Serious and Organised Crime

Serious and organised crime enforcement – February 2024

The Scottish Borders CID Proactive Unit executed 2 Drug Warrants across the command area during February, both were positive and 2 persons were charged with drug related offences. This included another large / industrial scale Cannabis cultivation which had a potential street value of £500,000.

They would also like to highlight that the local communities across the Borders may have information which they deem insignificant in relation to people being seen at disused large premises over a period of time. Any suspicious activity will be followed up by this team but it is important that the public know they can report such matters in person at any Police Station, by use of 101 or anonymously via the Crime Stoppers charity.
