North Area Community Policing News – PS James Harrison

Images of Leaderdale & Melrose Community Beat Officer PC Ian Porter are like buses, you don't see one for ages and then two come at once! Here he is with the 'Scam Van' when it visited Galashiels recently, and a second picture engaging with the youths at Earlston Fancy Dress.

June is a particularly busy time for Community Officers due to the number of events that require to be policed throughout the area. Three of the major events in June were the Selkirk Common Riding, the Peebles Beltane and the Braw Lads Gathering in

Galashiels. Selkirk is my local town, so it was a real honour to lead the parade into the town square for the casting during that Common Riding.

You will hopefully have noticed the addition of Scottish Borders Alert to the campaign section of the report. I would encourage anyone to join this scheme, particularly those who live in more remote areas. It is a great way to receive information that is relevant to you. This may be crime alerts from Police Scotland, information about emergencies, alerts about scams or frauds or even severe weather warnings. Local Policing Priorities

1. Protecting most vulnerable
2. Reducing violence and Anti-Social Behaviour
3. Reducing acquisitive crime
4. Improving road safety
5. Tackling serious and organised crime

Protecting most vulnerable

In June 2024 Police in the Scottish Borders attended and were involved with around 169 mental health related calls, around 39 missing person enquiries and approximately 86 domestic related incidents.

Selkirkshire had 15 mental health related calls and 3 missing person enquiries. Due to GDPR and protection of victims/subjects involved, we are unable to share any more specific information in relation to these type of call within this report.

Police Scotland work in collaboration with key partners to assist the most vulnerable within the communities and to provide support.

CAT Update:

ROAD SAFETY – SBCAT have continued carrying out road checks in numerous locations in the Scottish Borders and have issued 2 traffic tickets for various offences throughout the month.

Throughout June a total of 6 hi-vis speed checks and foot patrols were carried out at schools throughout the Scottish Borders at dropping off and picking up times. Including schools in Selkirk, Duns and Kelso.

PARKING TICKETS – Officers have been carrying out high visibility enforcement across the Borders and addressing parking concerns there. Advice has been given to drivers and 16 tickets have been issued.

Passing attention was given to Galashiels, Selkirk and Hawick Town Centres and Bridge Street in Kelso were also regularly checked by officers along with other areas.

RURAL ACQUISITIVE CRIME – We continue to carry out static road checks in rural areas at all times of day to deter and detect rural acquisitive crime. 5 static checks were carried out throughout the Scottish Borders this month along with numerous hi-visibility patrols of rural areas.

On Sunday 9th June the quad bikes were deployed Monymut. Several other patrols were made in a 4x4 with nothing to report.

ANTISOCIAL BEHAVIOUR – High visibility patrols have continued in targeted areas of the Scottish Borders to address concerns highlighted at these locations. The SBCAT has also been heavily involved in Community events throughout the month. Much of this has involved foot patrols targeting anti-social behaviour.

On Friday 7th and Saturday 8th of June 2024, SBCAT assisted at the Hawick Mare as part of Hawick Common Riding. The Specials Initiative Team also joined them. Over the 2 days, 1 recorded police

OFFICIAL

warning was issued and 4 people were escorted out of the area due to their behaviour or alcohol intake. 1 male was arrested for domestic assault and 10 fake driving licenses held by youths were also seized and destroyed. There was a significant amount of friendly engagement with the public and several minor issues resolved before they could escalate.

On 29th June 2024 the SBCAT were tasked with patrols of Galashiels town centre for the Braw Lads Gathering. The Specials Initiative Team also joined us. During the evening several minor issues were dealt with before they could escalate. Later in the night we arrested a male and charged him with assaulting door staff.

Similar high visibility foot patrols are being completed across the Borders with a focus on, Burnfoot and Mansfield in Hawick following reports of Off-Road motorcycles being used and general ASB. When possible foot patrols are being completed at Jedburgh Sheriff Court on court days due to previous reported issues with members of the public. Innerleithen and Peebles have also been given a lot of attention during the evenings.

No youth warning letters were issued during the month of June.

PROTECTING VULNERABLE PEOPLE – Part of the SBCAT role is to trace persons wanted on warrant/missing person/and bail curfew checks. SBCAT have carried out regular checks on multiple individuals who are wanted on warrant. During the past month a total of 6 people were arrested with 3 of them being wanted for domestic offences.

On 9th June SBCAT officers were on mobile patrol in Hawick when they responded to a call regarding youths stealing vapes from Morrison's. The officers attended immediately and stopped the youths at the door of the supermarket. Following a review of the CCTV one of them was reported to the social work for youth offending.

DRUG ENFORCEMENT – SBCAT officers have not taken part in any drugs search warrants in the Scottish Borders. 2 males were searched under the Misuse of Drugs Act with 1 of them being found in possession of a personal amount of cocaine.

In June the SBCAT dealt with a package of cannabis that had been deliberately posted to an incorrect address near Hawick and then collected by an unknown person. Despite only have a fake name they were able to obtain CCTV and established that the package was meant for a youth who was staying nearby in a holiday let. That same day the youth was traced and issued with a recorded police warning.

Special Constables – Recruiting

With a long and impressive history, the Special Constabulary is a part-time, volunteer body consisting of voluntary officers with identical powers to that of police officers. As a special constable, you'll work alongside our police officers in your spare time – forging strong partnerships in the community, patrolling our streets, preventing crime, and interacting with all kinds of people to give back, keep your local community safe and make a real difference.

You can work full time and be a Special Constable in just 96 hours per year or a few hours a week. The role is diverse, demanding, and rewarding. You could be doing anything from policing a football match to assisting at a road accident. Special constables also police major sporting and public events and provide an excellent bridge between the Police Service and the public, representing both the community within the police service and the police service within local communities.

Special Constables can act as a positive force for change - bringing with them an extensive pool of skills, talents, experience, local knowledge, and diverse backgrounds - as well as enhancing the overall level of service provided by the police. So, whatever your walk of life, step forward now and find out how being a police volunteer could be the perfect fit to suit your lifestyle.
