COMMUNITY CENTRE PROPOSALS

To discuss the above proposals with the architect.

The parish council met with the architects (Mark Andrews and Katie Belch) and invited members of the community centre management committee (CCMC) to discuss the proposals for the upgrade/future plans for the community centre building. A long discussion took place between all parties and it was agreed that the parish council and the CCMC will work together on this project with the parish council taking into account the comments of the committee.

Mr Andrews agreed to meet with the CCMC at a later date to hear their recommendations.

The next stage is that Mr Andrews will co-ordinate the agreed surveys and work towards taking future plans to NYC for planning approval.

The parish council will set up a further meeting in due course.

RESOLVED: That the above information be noted and agreed.
