SEACUT – deferred from last meeting

Cllr Jeffels will contact the Environment Agency to discuss a joint approach with East Ayton Parish Council and Cllr Phillips will contact Hackness for their support regarding the following statement:

In recent years the Seacut has over topped and as a nearly 200 year old earth embankment the chance of catastrophic failure have increased significantly. For properties along the course of the River Derwent and especially those alongside the old road bridge the situation would be perilous. Any embankment failure would bring with it vast numbers of trees from the riverbanks which would create surges and dams ultimately creating a major dam at the road bridge.

RESOLVED: That the above information be agreed. 177/21

SECTION 106 MONIES

Cllr Phillips will contact Hugh Smith (SBC) regarding decking at Beck Hill.

RESOLVED: That the above information be agreed. 178/21
