MATTERS ARISING

Min No 67/18 – NYCC Highways

An email had been received which stated ‘the surfacing along Main Street – there has been some work done and the area was visited this week and there does not seem to be anything at intervention levels. However we are aware that Yorkshire Water are currently planning to carry out some resurfacing and have written to the residents. We do not have any information about this as we have not been informed officially. Broken kerbs, these are still on the forward list but we are looking at re-profiling the junction as vehicles keep hitting this verge. The location of services in the verge may limit our options.’

RESOLVED: That the above information be noted.
