

DRAFT Minutes of Stanton under Bardon Annual Meeting of the Parish Council held on Wednesday 7th May 2025 starting at 7:00pm at Stanton Under Bardon Village Hall, St John Cole Crescent, Stanton Under Bardon, LE67 9AE

Parish Councillors Present: Cllr Anthony Johnston (Chairman) Cllr Neil Barratt (Vice Chairman) and Cllr Kevin Underdown

In Attendance: 21 members of the public
Cllr Chris Lambert – Borough Councillor
Joanne Lowe (Parish Clerk and RFO)

001/25-26	<p>PUBLIC PARTICIPATION - Members of the public were invited to speak on matters relating to items on the agenda (Public Bodies (Admission to Meetings) Act 1960).</p> <p>Cllr Underdown chaired this part of the meeting.</p> <p>Members of the public raised concerns regarding a planning application for the conversion of a residential dwelling on Everards Way into a care home for young people. The following points were made:</p> <ul style="list-style-type: none">• Residents questioned why the application process was delayed and why some residents had not been informed or properly consulted.• Parking provision at the proposed site was considered inadequate, particularly in light of school traffic, medical staff, visitors, and families. Reference was made to inconsistencies in documents, which variously referred to three or five residents.
002/25-26	<p>RESOLVED: After 15 minutes and in accordance with the Council’s Standing Orders, it was resolved to temporarily suspend Standing Order 3(f) and 3(g) to allow a further 50 minutes for public comments. The meeting was adjourned from 7:15 pm to 8:05 pm for this purpose.</p> <ul style="list-style-type: none">• The proposed property was felt to be unsuitable in scale and location, particularly in a predominantly elderly residential area. Noise and lack of soundproofing were noted as additional issues.• Specific concerns were expressed regarding traffic safety, especially near a sharp bend, and the impact on mobility scooters / pedestrians due to narrow pavements and insufficient parking.

- Questions were raised about the adequacy of local infrastructure and services, internet access, proximity to doctors or pharmacies, and a lack of recreational facilities for potential residents.
- A resident shared personal experience of supported living and clarified they were not opposed to the concept but had concerns about how the application was communicated, particularly around assumptions about disability.
- Additional comments included fears about anti-social behaviour and the overall appropriateness of the development in a semi-detached property with limited outdoor space.

In relation to the development off Main Street, a resident reported that a hedge had been removed during the bird nesting season without netting. The Clerk was asked to contact planning enforcement.

A rat issue on Everard Way was reported. The Clerk was asked to follow up.

Cllr Chris Lambert acknowledged the strength of feeling among residents regarding the planning application. Based on his personal experience, he stated that anti-social behaviour associated with such developments is generally low but clarified that he was not present to defend the application but to explain the planning process:

- The application closing date for comments is 9th May.
- A decision from a delegated planning officer is expected 28th May.
- If recommended for approval, due to the volume of objections, the application is likely to go to Planning Committee in mid-June.
- Residents will have an opportunity to speak at the meeting.
- If the application is refused, the applicant has the right to appeal to the Planning Inspectorate, which would start a new process. Appeals take 2–3 months and few are refused at that stage.

Cllr Clare Harris explained the importance of focusing objections on material planning considerations, such as parking, traffic, and disruption. She gave Policy DM10 as an example of a relevant planning policy that may be applicable. She also expressed concern about the growing number of care homes and supported living facilities that are not regulated.

Regarding public transport, Cllr Harris clarified that the 125 bus route has not been terminated. The service is still operating, with no loss of provision anticipated; instead, some route improvements are expected.
