Track Timetable

This track timetable is subject to change pending entries.

Field Timetable

As we anticipate there will be a number of changes to the field program once entries have closed – we will not be issuing a provisional field program. In finalising the field program, every endeavour will be taken to allow adequate recovery between track and field events for individual athletes.

Note: due to the inclusion of the Multi events in this competition the field program will commence from 9am.

Final Timetable

The final track and field program will be issued after the closing date (7th April 2012).
