If, however, they are members of another RSCDS Branch (or a RSCDS Society only member) then the following applies:

- A visitor to the area who is a RSCDS Member but who is not a member of Glasgow Branch may visit a class up to **twice in a block of 10 classes** and pay the Glasgow Member's class fee.
- If they wish to dance a 3rd time, or more, they must pay the Associate Membership fee to be able to pay the Member's class fee for each of the rest of the classes they attend that block, otherwise they pay Non-Member's class fee for each of the rest of the classes they attend.

Note: paying Associate Membership fee also means you can then pay Member's class fee for any Glasgow Branch classes attended in the rest of the Membership Year (1 July 2023 – 30 June 2024).
