

Seniors meeting 23 June 2022

The last meeting of Glasgow Branch Seniors Group took place on Thursday 23 June 2022 when our guest was John Carmichael. John is such an all round entertainer that he kept us laughing and singing from the moment he arrived until the moment he left. He did have a planned program but kept diverting from it as the conversation prompted him to tell different stories to the ones he had planned as he realised that other stories were more appropriate. He knew we would want to sing it and had several sets of tunes prepared that kept us singing and laughing and our toes tapping, until all too soon, our afternoon was over.
