## **4.4 RULES OF ENGAGEMENT**

### **Overview**

The attached is a summary of the key rules associated with the administration of the Boules in Gwent (BIG) pétanque league. They shall be reviewed annually and amended/agreed at each AGM.

The Secretary shall keep Clubs informed of future developments/proposals which may materially affect the league structure and rules of engagement.

### **Rule 1 – Scheduled League Matches**

The BIG League fixtures will run from April to August/September each year. Once divisions are agreed at the AGM, a full set of league fixtures will be published and circulated to all participating clubs.

All league matches are scheduled weekly on Monday evenings, except for Bank Holidays when matches will be scheduled for Tuesday evenings.

Matches shall not be played in advance, in order to preserve the integrity of the competition.

League matches shall start at 7pm (subject to Rule 2).

### **Rule 2 – Variations to Scheduled 7 pm start/Late Arrivals**

Teams shall have the flexibility, without penalty, to vary the 7 pm start time in the event of forecast adverse weather conditions/poor light, late arrivals etc.

Where a team is aware of its late arrival leading to the delay of a match, they should make best endeavours to inform their opponents in advance.

If a team starts a game without a full complement of players, and a missing player arrives after the end has started, the player will only be accepted into the game only from the following end.

An incomplete team with less than 4 players can still play the match; however, if an opposition player replaces any of the missing players the game will be deemed friendly and the points for that game are forfeit.

### **Rule 3 – Incomplete/Unplayed Matches**

This rule applies to matches which have started but are not completed – e.g., due to deteriorating weather conditions, bad light, late arrival etc.

Each fixture is worth 4 points - to reflect 4 games each worth 1 point. If any of the games are not started, or are curtailed, the result shall be determined by the team leading at the time of termination.

Clarification 2021: if teams are level in an individual game at the point of abandonment a point is awarded to the away team. This is consistent with the rule for cup matches when teams are level on points count back.

### **Rule 4 – Postponed/Rearranged Matches**

Teams requesting a postponement can do so via the Secretary.

Rain-affected matches, holidays and lack of players, etc. are not grounds for postponement unless waterlogged/unplayable or dangerous conditions.

### **Rule 5 – Default**

The overall aim, in order to preserve the integrity of the competition, is to eliminate matches won by default. All fixtures shall be played, with no points awarded for default.

Unless otherwise rearranged, teams may field a team of less than 4.

Defaulting teams shall be subject to investigation by the Committee who shall decide on whether sanctions are appropriate.

#### **Rule 6 – Team Composition/Substitutions (League)**

For league competitions, players are allowed to play for more than one team within the same club (but not for a different club unless transferred). This rule is to allow some flexibility to cover for player absences within teams in the same club. \*No player, however, may play for more than one team within one fixture week.

To encourage as wide a representation of players as possible, teams are allowed to field additional/substitute players in the third and fourth games of a fixture – up to 8 players in total. Teams must declare the presence of substitutes prior to the start of a match; however, use of substitutes is not compulsory \*even if their presence has been declared. Where practical, matches against the same pairs should be avoided. Away players should not play on the same piste in both matches.

\*Modifications to wording agreed at the 2023 AGM.

#### **Rule 7 – Cup Competition**

For cup competitions, players are deemed to be cup-tied once they have played for a competing team (and therefore ineligible to play for other teams. Breach of this rule will result in disqualification of the team from the competition.

Excluding rounds with fixed dates, each round shall designate a target completion date. Home teams are responsible for contacting their opponents and both teams are encouraged to play matches promptly. In exceptional circumstances, a short extension to the deadline (via the Secretary) may be requested.

Where games are drawn 2-2, the result shall be determined by points countback. If teams are still level, the winning team shall be the away team.

#### **Rule 8 – Publication of League Tables**

Where possible, the aim is to publish league tables weekly, subject to the prompt lodging of results with the Secretary.

### **5. CODE OF CONDUCT**

#### **5.1 MEMBERS**

5.1.1 Each player is personally responsible for their own conduct when participating in organised events under the control of the BIG League.
