Local resident Jane Lloyd indicates her sadness that some dog walkers are not picking up their dog waste and mentions the possibility of more bins in the main village area to provide more opportunity to dispose of waste Cllr. Doyle mentioned the possibility of rota system style litter pick, a campaign in the Village Voice and more stickers on lampposts. It was mentioned that offending often takes place in the dark to hinder identification and Cllr Syers stated that street lighting may need improvement. Discussion on prosecuting offenders by way of providing evidence to the Dog Warden Service.
ACTION: For Village Improvement Committee to discuss. Clerk to use up available stickers and seek costings for new bins.
 - c/. **Flooding and Drainage:** Reply received from ERYC regarding flooding around the village which outlined council responsibilities in the event of flooding but were not aware of any flooding difficulties experienced in North Frodingham. Images of flood sent to ERYC and letter circulated on social media. Nothing yet heard from Environment Agency or Local MP. It is believed that Greg Knight MP is meeting with local farmers later in month. General discussion on flooding ensued but await replies before considering response. Cllr Lisseter indicated that by and large the land Drainage boards are performing well but EA claim lack of funding.
 - d/. **Twilight Bus Service:** To consider request for funding for Twilight Bus Service. We have received a request for funding from Driffield School to go towards the Twilight Bus Service which enables pupils at the school, who live in North Frodingham, to engage in after school activities and still be brought safely home. The school indicate that last year we donated £400 and 19 journeys by pupils were made. The cost per journey is therefore approximately £21. The council felt that this was a small number of journeys made and wondered what reasons that service not being utilised. Responses on Social Media indicate that further information is required on the reason for pupils staying late and the cost per pupil prior to decision.
Action: Clerk to contact School
