Editorial.....

When you receive this edition, we will be days away from the final lifting of Covid restrictions. I am sure we will all be mightily relieved. Whilst many people will still feel nervous about embracing life 'as normal,' it will be lovely to have the option of not wearing a mask when out and about.

Village events are returning and we have the major reopening event for the social centre on Saturday 24 July to kick things off.

One consequence of the pandemic, is that like many businesses, Alma Printers have been forced to increase their prices. This means that to avoid running at a deficit, the Village Voice needs to increase its advertising rates. We have been very lucky to have only increased prices once in ten years and that was four years ago. I hope you agree that a small increase is acceptable if it means we can continue to produce the newsletter, which has become such an important staple for the Village.

Please keep the stories coming in – photos in particular are always appreciated. If you have something to put in but can't send us a digital file, handwritten copy will suffice and we will type it up.

Thanks as always to **Alma Printers** of Driffield for their help and prompt, efficient service AND to our trusty band of distributors.

Any spare copies of the newsletter will be available at **Cherrys garage**.

The next meetings are as follows
16th September 7.30pm- talk on Highwaymen
18th November 7.30pm – AGM

Anne, Joy and Joan.

Mature Mayhem

It has been a long time coming, but at last we have been able to meet again. We had our first meeting on Friday 25th June. As we weren't sure how many would want to return and just what everyone would be confident enough to do, we met for one hour, primarily to discuss and decide. Most of our group were able to attend and all were keen to get back to normal. As we were only there for one hour,

we didn't bother to get too many things out, but we were able to do our exercises and had a game of ball. It was decided to return to our two-hour slot the following week and staying within the guidelines, we hope to continue as much as possible to how things were before.

Paperback Book Swap will also be available each Friday afternoon from July 2nd.

SCAM ALERT

Covid digital passport scam

June 2021

A new email scam about Covid is circulating and we want to advise you what it looks like and what steps you can take.

Your vaccination status is obtained FREE through the NHS App, website or by calling the NHS on 119.

You may receive an email which looks similar to the one shown. Clicking on the link takes you to a convincing but fake NHS website that asks for personal and payment details. (for an admin fee).

The website has since been taken down, however, as with many scams of this nature, there will be others.

More information can be found on the gov.uk website;

Parish Council

The Parish Council is very happy to return to face-to face meetings, which are being held in the Social Centre on the second Monday of the month at 7:30pm (except for August), you are more than welcome to attend a meeting, please contact the Clerk beforehand so that social distancing measures can put in place.

A survey has been requested from East Riding of Yorkshire Council to assess the type and speed of traffic travelling along the main street in the hope that suitable action can be taken.

Work is continuing on the Village Improvement Plan and Councillors are looking into any available grants to fund the projects. Suggestions from residents are being collated and tracked.

Councillor Mrs Patricia Bigger has resigned from the Parish Council, is thanked for all her hard work and is wished well in the future. If you are interested in becoming a Councillor, please contact the Clerk.

Please note that the Parish Council has recently changed its email address to clerk@northfrodinghampc.org

CHURCH SERVICES

Sunday 1st August Service of Holy Communion at 10am.

There is also a service of communion at Beeford each Wednesday morning at 11.00am.

Notes

As things are starting to open up Rev'd James is no longer doing his on line services, there are services within the benefice throughout August. August 1st service is at Nth Frodingham and Ann or I can be contacted for information on the other services.

The 158 Sqn. service at Lissett is scheduled for Sept.5th. Following this it is hoped that we can have some sort of 'post-Covid' normality for our services. Let's hope that this will be so.

WOLDS WANDERERS

Our first meeting since the start of the pandemic was to be in the Lake District, a walking weekend postponed from last year. Staying in Keswick, our first walk was an old favourite, an easy walk out of town up to Castlehead. From here there were fine views across Derwentwater to Catbells and beyond.

Balm to the soul, Castlehead (right)

During our stay we were pleased to find that the footpath along the old railway line had been reinstated after so many bridges had been swept away in the floods. A leisurely stroll along the resurfaced line to Threlkeld and back across the fields. Our second day was a good stretch of 10 miles round the lake – here we are between Portinscale and Brandlehow, **(photo left thanks to Vicky)**. The weather held up wonderfully, far better than the original forecast. Before heading for home, we made for Watendlath for a very scenic walk in a quiet corner of the Lakes.

Open Garden – The Old Vicarage

Visitor numbers were significantly down on the previous year owing to covid. The garden was looking as good as possible, despite the earlier awful weather, but the sweet rocket and aquilegias were still going strong. A couple of the more recently planted areas were looking good, including the winter garden with meconopsis (Himalayan poppy) and there were three new dinosaurs in the jungle garden.

The Nafferton Methodists did well and made £535 for their renovation funds, and I sold £70's worth of plants for the Gamekeepers Welfare Trust.

From the Ward Councillors

We unfortunately start on an incredibly sad note & that is to mention our colleague Cllr. Paul Lisseter who died suddenly on 11th June. Paul was a regular visitor to Nth Frodingham parish council meetings & took a keen interest and worked hard on behalf of all the parishes in the East Wolds & Coastal Ward. We will miss Paul and our thoughts are with his family.

Recovery Support

On other council matters, there is so much happening at the moment and a number of grants available to help businesses & communities recover following the extraordinary last 15 months.

The councils Community Fund scheme offers grants to Town, Parish Councils & community organisations to aid getting people back out and safely enjoying social events once more. The grants do not require any match funding so if anyone does have any ideas about a community project and wants more information please do get in touch with ERYC or us.

We are pleased to say that many businesses in our area remain reasonably healthy and the East Riding of Yorkshire Business Support Team who were receiving 50 – 80 enquiries a week during peak times last year are seeing a noticeable reduction in calls which has now dropped off to around 20 a week.

The Wolds considered for status as an Area of Natural Beauty

On 24th June Natural England announced that The Yorkshire Wolds is to be considered for status as an Area of Outstanding Natural Beauty. The designated area of the Yorkshire Wolds covers the land from the Humber Estuary to the coast at Flamborough, taking in a mix of dramatic coastline to open rolling countryside, including ancient woodland, chalk streams all providing a high-quality wildlife resource.

Over the next 2 to 3 years a thorough programme of consultation will be undertaken and evidence gathering by Natural England before they arrive at their final decision.
