All at Londis Beeford would like to wish everyone a very Merry Christmas and a Healthy & Prosperous New Year!

Please support the advertisers in this newsletter

## Editorial

As with many magazines, the production schedule means that our content tends to be a couple of months ahead of real time.

Therefore, along with mentions of Halloween and Bonfire Night, you will also find adverts in this edition for Christmas events and opening times over the holiday period.

Traditionally, our next edition would come out in early January and that would feature photos of activities that took place in the village in December.

However, this year, I intend to publish the next edition in the week before Christmas. This way we can enjoy Christmas images in December, rather than when we have taken down the tree and put away the trimmings in the New Year.

Confused? Don't worry it will all become clear!

I hope you enjoyed the last edition, which was printed by our new supplier? They did a great job at the last minute, and I am delighted to be working with them going forward.

Joanne Parker  
Editor

## Have you got any news to share?

Whether you have a new hobby, taken up a sport or started a business, we would love to hear what you have been up to. This is your magazine and the more items we can feature that are written by residents, the better.

Please keep the stories coming in, photos, in particular, are always appreciated. If you have something to submit but can't send us a digital file, a handwritten piece is fine, as we will type it up. I am delighted to feature a selection of photographs courtesy of North Frodingham Primary School this time.

## Advertisement rates

If you have a service to offer or you are a tradesman, remember an advert in this newsletter reaches every household in the village and still represents an economical way to promote your business.

Criminals are exploiting the COVID-19 pandemic to try and get their hands on your money and personal information. To date, Action Fraud has received reports from over 4,000 victims of Coronavirus-related scams, with the total losses reaching over £9 million.

The police have sent me some more warnings of telephone scammers.

The callers are very persistent, and end up asking you to download software from a website called "**www dot anydesk dot com**". If you refuse to do so you may be sworn at. The scammers were using a mobile number, **07574 971269**."

Please always report these to Action Fraud on **03001 232 040** or by using the link below:  
**<https://www.actionfraud.police.uk/>**

### **How to protect yourself from scams:**

There are some simple steps you can take that will protect you from the most common scams.

#### **1 - Watch out for scam messages**

Your bank, or other official organisations, will never ask you to share personal information by email, telephone or text. If you receive an email you're not quite sure about, forward it to the Suspicious Email Reporting Service (SERS): **[report@phishing.gov.uk](mailto:report@phishing.gov.uk)**

#### **2 - Shopping online.**

If you're making a purchase from a company or person you don't know and trust, carry out some research first, for example, by checking to see if others have used the site and what their experience was. If you decide to go ahead with the purchase, use a credit card if you have one, other payment providers may not provide the same protection.

### **3 - Unsolicited calls and browser pop-ups offering tech support.**

Never install any software, or grant remote access to your computer, as a result of a cold call.

**Remember**, legitimate organisations would never contact you out of the blue asking for financial details such as your PIN, your account number or a banking password.

**Yorkshire  
Countrywomen's  
Association**

---

### **North Frodingham Y.C.A. (Yorkshire Countrywomen's Association)**

Due to the lack of anyone to take on the roles of the offices and falling membership, it was regrettably decided to close the village branch of the YCA.

The North Frodingham Branch of the YCA opened in 1983 following the closure of the WI branch in the village. Over the years we've enjoyed many speakers on varied topics, learning how to create beautiful flower arrangements, cook tasty recipes, and learnt about the lives of some amazing people, along with many other things.

We also ran the Produce Show for many years, and helped to raise funds for various charities, the Marie Curie Tea Parties and MacMillan Coffee Mornings being just two of them. We thank everyone who has supported these events, we couldn't have done it without you! Along the way we've made many friends both in Frodingham and beyond and we'll do our best to stay in touch.

If in the future anyone is interested in opening a North Frodingham branch again the YCA Central Office will be happy to hear from you.

Kathryn

# WOLDS WANDERERS

In September, the Wolds Wanderers enjoyed their first group walk in home territory since the beginning of lockdown. Two new members joined some of the usual stalwarts for a walk from the village.

We took the footpath opposite Cherrys garage and were immediately in open countryside. Dropping down onto the Emmotland road, we soon turned for Coneygarth Farm and its smartly presented holiday accommodation.

Crossing the fields beyond, there were the fishing pools at Hempholme and the path through the farm to Struncheon Hill Lock

where we were just in time to see a canal boat negotiate the lock gates (much to the crew's discomfort!) After lunch we took the opportunity for a group photo before beginning the return leg. This took us along the earlier course of the River Hull and Scurf Dyke before reaching the marina and Bethel Bridge. Fine views along the riverbank and then past the trig point at Emmotland (26 ft above sea level!) before following the lane to our footpath back to the village. There was no walk in October.

---

## **My Hols No. 3**

This is the last of "My Hols" as the content is diminishing in drama and in 1974 a son "appeared" and holidays in faraway places were over for a few years.

My Hols No. 2 ended with me semi-conscious after a Slivovic drinking game. The next day we moved on to Sarajevo on a road similar to a farm track, each vehicle creating vast clouds of white dust. We emerged from the mountains to look down on a vast plateau, surrounded by mountains and covered in a colourful pattern of small fields.

In each field, groups of men and women were threshing wheat sheaves using horses on long reins, tramping round in circles (to separate the grain). We stopped to take photos and were invited to help by "winnowing": tossing the grain in the air so that the chaff blew away.

Drinks interval followed quickly as the villagers tried to talk to us. English tourists were not seen very often, if ever!

In Sarajevo we had coffee in the city square – twenty years later the scene of vicious fighting in the Bosnian war with Serbia.

At Banjaluka we had our last interesting experience: we entered a café looking for food. It was very crowded and we soon realised it was a wedding celebration. We tried to leave but were called back and offered food and drink. We sat down with the guests and eventually my friend and wife joined the dancing. Two hours later we left, overwhelmed by the friendliness of Bosnians to total strangers.

Onwards to Ljubljana, Salzburg, Munich and Cologne to Zeebrugge.

Final drama – the ferry had finished loading cars as we approached the ramp to find that we were three days later than our reservation! A clearly recognisable Hull voice shouted "if you're coming, there is room for one more at the back." Huge relief.

Nearly home; breakfasting as we approached the Humber. Good to be back in North Frodingham with fantastic memories, particularly of people's kindness to visitors.

Mike Doyle

## School news

What a very busy half term here at North Frodingham Primary School where the children have taken part in charity events by wearing yellow and donating to Young Minds and collecting for Driffield Foodbank through our Harvest celebrations.

The children in Year 1 and Year 2 have been learning to play the ukuleles which is filling the school with the most wonderful sounds and there have been sporting events with cross country competitions and golf sessions.

All of our children continue to take art in outdoor learning sessions and have had workshops on well-being and dealing with our worries. As ever the children have behaved impeccably and visitors always comment on how fantastic the children are and so engaged in their learning. Well done everyone.

Please support the advertisers in this newsletter

Our children in Class 3 have been thinking about what makes our school special and they have written this letter to prospective pupils.

Dear New Student,

North Frodingham Primary School is a brilliant school to attend because it is a small friendly school, we all know each other, it is like a huge family. In the playground there is always somebody to play with.

We always do activities such as outdoor learning, school trips to places you wouldn't ordinarily go to and fun after school clubs. We have awesome workshops that come into school too. We prepare for the Year 6 to move into Secondary School as well.

If you need to speak to someone about an issue in school there is always someone to talk to, all of the Teachers are really nice and they make all of the topics and lessons fun.

We have exciting, fun play equipment to use; a climbing frame, gazebo and massive playing fields where we do lots of PE, like golf, cricket and rounders.

We hope this has given you an idea on how fantastic our school is.

Yours sincerely  
Class Three.

The Village Voice also received another poem this month. This has been sent to us in the wake of the closure of some local societies. A refrain often felt by committee members

#### A poem by Class One

**N**orth Frodingham is a nice village to live in.  
**O**ver the bridge and past the church you will find us.  
**R**ight on the main street you will see our school.  
**T**here is also a play park and a village hall.  
**H**ouses are all different shapes and sizes.

**F**riendly people live here.  
**R**ead our newsletter to find out about our village.  
**O**ur school is like a big family.  
**D**elicious food served at the Blue Post.  
**I**n this village there is a memorial cross outside our school.  
**N**earby there is the old village waterpump.  
**G**o and have a look around.  
**H**ere at North Frodingham you will find Cherry's  
**A**nd Chris Newland Motor Engineer.  
**M**arvellous to live here, this village is the best!

#### What Sort of Member Are You?

Think this over, member,  
You know right from wrong:  
Are you just a member  
And do you just belong?  
Are you an active member?  
The kind that would be missed?  
Or are you just contented  
That your name is on the list?  
Do you attend the meetings  
And mingle with the throng?  
Do you take an active part  
To help the work along?  
Or are you satisfied  
To only just belong?  
Do you assist at meetings  
To help to make them "tick"?  
Or leave the work to just a few  
And talk about the clique?  
Think this over, member,  
You know right from wrong:  
Are you just a member  
And do you just belong?

### Diary Dates

#### **Sunday. 12th Dec. Village Carol Service**

- at 2.30pm - All are welcome to join us at this service of traditional carols and readings.

Please note our **Christmas Communion** this year will be on Thursday December 23rd at 7.30pm.

**Friday. 24th Crib Service** - at 3.30pm. (A service suitable for the very young & the not so young).

**Thurs. 6th January 2022 Quiz** to be held in the Village Hall. 7.30 for 8pm start, £3.00 each, no more than 6 members per team. Light snacks will be provided. There are prizes for the winning team and spot prizes & a raffle.

As things are slowly starting to get back to some sort of normality we've decided to hold our quizzes again the first one being on Thursday January 6th, rather than a light supper, light snacks will be provided and it will be the usual maximum of 6 people per team. We look forward to seeing you there.

Kathryn

## Frod's Christmas Window Wander

Following last year's successful Window Wander I'm wondering if anyone is willing to join in again?

If those willing could decorate their windows from December 17<sup>th</sup> to January 6<sup>th</sup> we could again put on a magnificent show. A map could be available in local outlets and boxes at some of the houses for donations to be shared between St Elgin's Church & the PTFA.

This would give the children (and adults) a trail to follow at dusk as the windows are backlit as it becomes dark. All that's needed is a window facing the road and some ideas. It could be religious, Christmas themed, amusing, 12 days of Christmas etc. and would be a talking and learning time for the children.

If you would like to decorate a window, please contact Revd Shirley Hebden. 01262 488284 or [shirley.hebden@gmail.com](mailto:shirley.hebden@gmail.com)

---

### Lateral Flow Testing Kits

Hello Folks, just to let you know that I have volunteered with East Riding Council to be a holder of Covid 19 Lateral Flow Testing kits to save you having to go elsewhere.

If you wish to have a kit or kits please let me know and I will put them in my porch with your name on to be collected. I live in The Poplars in Grange Road, which used to be the pink house.

If you would like kits please either call 481331 (leave a message), via messenger, email [paul.wright48@gmail.com](mailto:paul.wright48@gmail.com) or knock on door. There is no need to sign for the kits.

Paul Wright

## Parish Council

Work has begun on replacing the hedge at the cemetery, most of the hedge has been removed and the gates have been removed and grit blasted, the new railings have arrived and now need painting. The Parish Council would like to thank all volunteers that have helped so far.

A grant has been applied for through the Sandsfield Community Fund for a lawn mower and noticeboards for the cemetery.

Councillors are looking at plans and funding options to create a memorial/reflection garden and allotments on the old allotment site on the main street.

There have been several reports of overgrown hedges in the village obstructing footpaths, residents are asked to please trim their hedges and vegetation to enable use of the footpaths.

---

## History Group

The group met for an evening of Highwaymen and Women.

Most of us have heard of Dick Turpin but the legend was not really a Highwayman but more of a Horse thief. He was executed in York in 1739.

Alan Beadle was our speaker and he filled us in on various Highwaymen and women over the years.

It was very interesting and informative.

Our next meeting is November 18th when we will be having a talk from Joanne Robinson, an author,

mentioned in the previous Village Voice and our AGM.

New members welcome.

Anne

---

## Mature Mayhem

I am pleased to say that Mature Mayhem has resumed normal service.

We meet each Friday afternoon from 2 - 4 pm and as **Paperback Book Swap** is also at the same time, many of us choose another book to take home.

Once settled we start with gentle exercises, a game of soft ball, sometimes table tennis, and/or table games - scrabble and triominoes being the most popular. And of course a cup of tea/coffee and a biscuit now that the kitchen is open again.

If you consider yourself mature and looking for something different to do on a Friday afternoon, please come along and join us at the Village Hall and you will be made very welcome.

## Paperback Book Swap

Every Friday afternoon from 2 -4 pm

There is a large selection of paperback books to choose from. If you have a favourite author or just looking for something to read, come and have a browse. There is no charge - just bring one you have finished with and swap it for something else.

Regards

Joan

### Ward Council Update

Our council's public health team have been working relentlessly for over a year instigating track and trace procedures, controlling Covid outbreaks and liaising with the public.

ERYC decided to invest an amount of government funding allocated to Re-opening High Streets Safely by employing retail consultants to work with some of the market towns in our area. The consultants have surveyed & met with many customer groups, town councillors & traders and have produced action plans based on their findings to help our market towns come back to life and use the enforced break to think of better ways to work together and improve.

ERYC also made grants available under a successful scheme entitled 'Do it for East Yorkshire Community Grant' the funding is designed to be used by town councils, parish councils and voluntary or community groups, making grants from between £500 to £5000 available to come forward with ideas to coordinate local events which will encourage communities to come together again after the covid lockdowns.
