Editorial

Thank you for supporting the move to a smaller size of magazine. I appreciate that small text is not easy for everyone to read, and will try to use a larger font as space allows.

A big thank you to all our advertisers who make the publication possible. As the magazine goes to print, many of you will be enjoying seeing Santa arriving at the Community Hall. We have had an excellent mix of events this year, and thanks to all who have organised and attended them.

Thank you to everyone that volunteered to deliver the magazine along Mount Pleasant and to our hardy band of distributors. Your efforts are much appreciated.

I wish you all a very happy Christmas and look forward to another exciting year ahead.

As Rob Andrews reminds us, be vigilant at this time of year. Don't leave presents on view in your car or at home, as opportunist thieves are always around. Stay safe and have happy and healthy festive season.

East Riding of Yorkshire Council News

Our first thoughts are to wish everyone a very happy Christmas & best wishes for 202. An uneventful year would be most welcome.

We appreciate, though that with the colder weather now settling in and costs rising, particularly in rural areas where transport is necessary, there will be many families and individuals facing hardship, many through no fault of their own and who haven't faced these issues before.

The council continues to help wherever it can, through direct help to households or by signposting where help and many types of support can be found.

There is no stigma attached to looking for support which is out there. You are not alone if affected, so please see if help is available.

Please visit the council's website www.eastriding.gov.uk; on the opening screen, you will have a link to help for households at the top of the screen. This will guide you to a host of help, advice and guidance available, which includes a section of an increasing number of venues opening across the East Riding in towns and villages offering a welcome space to visit and enjoy activities and support if lonely or isolated.

For those who can't access the website, the council's telephone contact number **01482 393939** can always be used to seek advice.

Looking towards next year, we have put together a table of events which are definitely taking place in East Yorkshire, and we hope there is something there which will give everyone something to look forward to.

Cllrs Jane Evison, Jonathan Owen & Charlie Dewhirst.

Parish Council News

The Christmas tree at the Millennium Garden is up thanks to Dan Backhouse for coming to the rescue with the delivery and to all the volunteers who helped erect the tree.

The Parish Council is considering the provision of a bus shelter on Main Street, depending on available grant funding. Residents who own properties that may be affected will be contacted for opinions in the New Year.

Residents can report potholes, poor condition of footpaths, loose drain covers and many other issues on the ERYC website www.eastriding.gov.uk or by telephoning 01482 393939.

The Parish Council is still looking to employ you or your company to look after the maintenance of the benches in the village. If you are interested, please contact the Clerk on 01964 603220 or email clerk@northfrodinghampc.org

The Parish Council wishes you all the best for Christmas and the New Year!

School News

We have had such a super term here at North Frodingham Primary School. It is always lovely to spend time with the children in the run-up to Christmas and welcome parents and family members into school to watch their hard work. As always, we have been so proud of them.

We have also been really proud to achieve a Silver School Mental Health award. This is testament to our school's mental health and well-being provision to boost the well-being of pupils and staff.

From all at North Frodingham Primary School, Merry Christmas and a Happy New Year.

WOLDS WANDERERS

Our November walk was on an unusually gloomy day starting from Wansford Lock and heading upstream along the beck towards Nafferton. Turning onto Carr Lane, we followed it until we came to the exotically named Whale Jaw Lane onto which we turned to then follow Back Carr Lane over the railway line at Nafferton. We then followed a meandering path to

The day may have been dull but the walk was brightened by the hedgerows laden with sloes as seen to the left of the picture.

the pleasant village green for lunch. The murk was clearing and was almost sunny by the time we reached the beck to return to Wansford. December's walk was in weather much more to our taste – crisp and clear and brilliantly sunny! We followed the broad Green Lane behind the Sykes Monument (thankfully still closed to off-roaders) until we

could drop down past Wetwang Grange onto the bed of the Malton – Driffield railway. Turning left for the return leg, we picked up the path through Garton Field and Black Wood and regained the lane back to the monument. It was icy underfoot but we picked our way with care and all enjoyed a short but bracing winter's walk.

Mature Mayhem

Friday afternoons in the Village Hall from 2 till 4pm.

We are almost at the end of another year and we are all another year older but still enjoying ourselves at our weekly get-together. Gentle exercises and games with like minded company, tea or coffee and biscuits, are all part of the fun. Several birthday celebrations this year have also included cake. If you want to do something different on a Friday afternoon, please come and join us.

Paperback Book Swap

Held at the same time as Mature Mayhem in the Village Hall

We have a large selection of books to choose from and hopefully something for everyone. A good book to read on a dark winter night goes down a treat.

Wishing everyone a very Merry Christmas and a Happy New Year
