## Editorial

Me with my dog, Simon

Welcome to the new-look Village Voice.

We, like everyone else, have been hit by rising prices, and so the move to a smaller size allows us to keep going.

This is also the first edition of me flying solo! Peter Bernard has finally handed over full responsibility for the production of the magazine after a Herculean ten years at the helm. Once again, huge thanks to Peter for all he has done for the magazine. I hope I can do as good a job going forward.

I thought I should introduce myself. I have lived in the village for just over seven years with my husband, Tony and our lurcher, Simon.

By day I earn my living as a copywriter and business mentor. I help businesses to promote themselves by either writing the words for their websites, articles, PR and marketing or helping them to get better at doing it for themselves.

When I am not writing for business, I also write fiction. I previously mentioned my first novel, and I am currently writing the sequel.

## Contributions

Please keep your stories coming in. As well as having news from our regular contributors, I would love to hear from you.

Photographs, poems, opinion pieces, and even recipes are all welcome. This is your magazine.

**We are also on the hunt for a new distributor to look after Mount Pleasant road. Please, let me know if you can help.**

## Front cover - North Frodingham Primary School

Our first half term has been as busy as ever and we have been making the most of the late Summer sun with outdoor learning sessions for our older children. The children in Class 1 had a special visitor from the 'seventeenth century' who helped them to find out more about the Great Fire of London. Our youngest children have been looking at where food comes from linked to Harvest.

## Parish Council News

The Parish Council has received several complaints regarding extreme occurrences of horse poo in the village, which has been reported to East Riding of Yorkshire Council (ERYC). Although this is not illegal, many residents think it is unpleasant, and ERYC can be asked to do a clean-up. Residents can report this and any other issues directly to ERYC on the website [www.eastriding.gov.uk](http://www.eastriding.gov.uk) or by calling customer services on 01482 393939.

Two potential water leaks have been reported to Yorkshire Water, one on South Townside Road on the corner where the road joins the Public Right of Way to Grange Road and one halfway down Mount Pleasant Road. If anyone spots any leaks, they can be reported to Yorkshire Water on 03451 242424.

If anyone is struggling due to the current financial crisis, your local Children's Centre can help you to access a food bank service close to you, the nearest food bank is in Beeford, telephone number 01262 481699. There is further information on this and other help for households on the East Riding website <https://www.eastriding.gov.uk/cost-of-living-help-for-households/> or telephone 01482 393939.

The Parish Council is still looking to employ you or your company to look after the maintenance of the benches in the village. If you are interested, please contact the Clerk on 01964 603220 or email [clerk@northfrodinghampc.org](mailto:clerk@northfrodinghampc.org)

## Open Letter re the NOW Fund

Dear Mr Muirhead

The information in the last Village Voice was minimal and stated the North Frodingham Playing Field was holding the funds.

I'm not a member of that group so I wondered if you were able to provide me and the village with details of the money held, which account etc.

Is it in a separate account?

Does it attract interest?

Who can add or withdraw the funds?

As we had a separate committee before I wondered if this might be the best situation going forward so everything is open and transparent.

Happy to discuss further.

Thanks

Anne Mahl

## **EAST RIDING OF YORKSHIRE COUNCIL NEWS**

### **DO IT FOR EAST YORKSHIRE COMMUNITY FUND**

Since June 2021, voluntary and community groups, as well as Town & Parish Councils in East Riding, have been benefiting from the Do it for East Yorkshire Community Grants, which were designed to help communities come together after Covid. Organisations were able to apply for grants between £500 and £5000 that:

- Brought people back into your community
- Focused on encouraging people who have been shielding to engage in community activities
- Restarted community activities, such as lunch clubs
- One-off events & festivals.

The fund closed in April 2022 but subsequently opened again in June 2022 with a further £145,00 to distribute.

### **HELP FOR HOUSEHOLDS / HELP FOR BUSINESSES**

The help for Households campaign was launched through Your East Riding offering online support for urgent help when in need, help with household bills, support for young families with children, support for older people, help with debt and money worries and disability services and adult care.

That campaign has now spread and will shortly also offer Help for Businesses.

There are now clear links to the help pages, which are available from the ERYC website homepage.

### **FRACKING**

In October, we were pleased to support a motion to Full Council agreeing that fracking activities in the East Riding of Yorkshire are inappropriate. Whilst acknowledging the need to review our national need for energy security considering recent events in Russia and Ukraine, our view that fracking is not the way forward remains unchanged. There are still concerns over the effects of fracking on the aquifer under the wolds and the counter effect on our ambitions to have an area of outstanding natural beauty.

We will continue to oppose any suggestion of fracking in this area.

Cllrs Jane Evison and Jonathan Owen

# WOIDS WANDERERS

In September, Jonathan and Jennifer led the group out of Market Weighton to the Londesborough Estate with its deer shelters and fine parkland.

They were disappointed not to be able to explore the site of the old hall but found a good lunch spot in the village before heading to Goodmanham and refreshments at the Fiddle Drill café. The final leg followed the bed of the disused Driffild to Market Weighton railway back to the start point. In October, the scheduled route was replaced by an impromptu walk across to Foston, led by Alison and Fred. Taking the green lane out of the village, they crossed the mill race in Foston to pick up the path along the beck to Carr House Farm. Their path brought them back into Foston at St Andrew's church and a return along Foston Lane.

Notes and photos thanks to Jonathan, Alison and Barbara

## HELP WANTED TO DELIVER POST

For many years now I have been co-ordinating the Scouts' Christmas Post delivery in the village and I have agreed to do it again this year.

As I am finding it more difficult to walk long distances, I'm wondering if there might be one or two people who would be willing to help with this - maybe delivering the cards in a specific area - perhaps near where you live - e.g. Mount Pleasant Road, South Townside Road, Foston Lane and North Townside Road or small sections of Main Street.

The deliveries would take place in the last few days before Christmas, and I realise that this may be difficult for some, but if you could help at all I would be very grateful.

I can be contacted on (01262)481093 or email [christinerookes@yahoo.co.uk](mailto:christinerookes@yahoo.co.uk)

## History Group

The history group met in September and were treated to a very interesting talk from Stuart Bradshaw of Bells Mill.

The mill has had connections to the Bradshaw family since the 1790s but in 1880 Eleazer B Bradshaw became a partner and then sole owner in 1894.

In 1949 a fire completely destroyed Bell Mills and a new modern mill was built and has since been extended and further modernised to the buildings that are there today.

Most of the flour is named after celestial objects for example Venus.

They even produce a Halal flour along with, pizza dough flour and unleaven bread.

An interesting fact is that if all the flour mills stopped producing then after approx 12 hours we would run out of bread!

Our next meeting is on WEDNESDAY 16th November at 7.30pm in the Social Centre.

This is the AGM followed by something Christmassy.

All welcome.
