## Editorial

I hope you have all enjoyed a lovely summer, we certainly can't complain about the weather.

We were treated to several activities around the village, including the Summer Fete, which was well supported. Thank you to everyone who took a stall or who attended the event.

Look out for more events here (see page 18) and in neighbouring Beeford (see page 9) in the coming weeks. We are fortunate to have so many activities in close proximity.

There will also be the annual Tour de Frod coming up. Don't forget to capture some shots and send them in for the next edition.

### Repair café idea

I would be interested to hear from anyone in the village who would like to take part in a Repair Café.

This is an event where volunteers come together to offer their skills such as DIY, carpentry, joinery, electrical, sewing, knitting etc.

They then mend items brought in by local people for free or at a modest cost. If such an event was to go ahead, there must be public liability insurance in place, and people bringing items to be mended have to sign a disclaimer to say they recognise that there is no guarantee that the items will be fixed.

Repair Cafes are proving very popular, and they can be a valuable addition to a local community.

If you are interested, please drop me an email at [joanne@jpwritingservices.co.uk](mailto:joanne@jpwritingservices.co.uk)

Thank you

Joanne

## Contributions

Please keep your stories coming in. As well as having news from our regular contributors, I would love to hear from you.

Photographs, poems, opinion pieces, and even recipes are all welcome. This is your magazine.

### Rising prices

The Village Voice is not immune from rising costs. The cost of printing continues to increase and in the new year we may have to move to a smaller format. However, we are committed to continuing to produce the magazine for as long as we can.

Thank you to all our advertisers, as you really do make the magazine possible.

## Parish Council News

Work has commenced on the new housing development at Alderson Mews on Main Street, and the developers need to close the road to carry out drainage connections.

Unfortunately, due to the width of the carriageway, it is not possible to carry out this work with a partial closure. Utilities and other bodies have statutory powers to install apparatus in a public highway, so this closure cannot be refused.

The Parish Council has worked with the developers and East Riding of Yorkshire Council and accepted an option for Main Street to be closed during the half-term school holiday from 22nd to 30th October 2022 between 9:00 am and 3:30 pm daily. The road will remain open to pedestrians, and contingency plans are in place to allow emergency services to pass through if required.

### Local Police Station

Driffield Police Station is now open as usual, and although it is not manned 24 hours a day, 7 days a week, there is a buzzer to press for help. Residents have been urged to be aware of any unusual vehicles or suspicious activity in the village and not to be afraid of taking number plates and reporting them and any concerns using phone number 101.

### Cemetery

Unfortunately, the Parish Council has received several complaints recently regarding activity in the cemetery. Visitors to the cemetery are reminded that they have permission to tend to the graves of their relatives or friends with the permission of the family only. No Ledgers, kerbs or edging are allowed on or around plots.

### Can you help?

The Parish Council is still looking to either employ someone to look after the maintenance of the benches in the village or hire you or your company, if you are interested, please contact the Clerk on 01964 603220 or email [clerk@northfrodinghampc.org](mailto:clerk@northfrodinghampc.org)

**Ms Margaret Rose**

Clerk to North Frodingham Parish Council

---

### Request to horse owners

Several residents have complained about the amount of horse poop on the roads within the village, and although this isn't an offence, it is not very pleasant. Please can horse riders either clear up the mess or perhaps exercise their horses in a field prior to going on the road?

Thank you.

# ERYC News

## Cost of Living Emergency

Elected members that make up the Full Council agreed at its latest meeting to declare a 'Cost of living Emergency' as are many other local authorities across the country. As elected members, we are fully aware of the pressures facing many residents and the fears many will have for later in the year when energy costs and living costs continue to rise.

Declaring an 'emergency' is just to recognise we are aware of concerns. Over the next months, the Council will be continually monitoring the situation with regard to vulnerable residents and ensuring we act where we can to intervene and help.

We will also be keeping a close watch on government initiatives which we can implement locally. In our rural communities, it is more important than ever to keep an eye on neighbours and the vulnerable, and if anyone has worries or concerns, to report them.

## Area of Natural Beauty (AONB)

In the last Village Voice edition, we wrote about an email circulated by Natural England inviting comments and attendance at meetings about the designation of an area of the Yorkshire Wolds and the potential for it to be designated as an Area of Natural Beauty.

East Riding of Yorkshire's submission had been for a much larger area than now shown on the website & included much more of the beautiful Yorkshire Wolds landscape within East Riding of Yorkshire up to and including the heritage coast.

Natural England's submission falls short of what was expected as you can see if you visit the webpage on the link below.

<https://www.yorkshire-wolds-designation-project.org>

Natural England will conduct a formal consultation next year on their plans, but comments received now may well influence the area put forward for the formal process next year.

Whilst there needs to be a recognition, we are unlikely to be offered an area as large as the initial submission now is the time to make your feelings known if you do believe more land should be included in the designated area. ERYC will be submitting a formal response to Natural England's submission

If you could share this information with residents, it would be very helpful.

## Draft Climate Change Strategy

After recent weather conditions, there can be little doubt there is a need for change and much work has gone into the production of the East Riding Strategy from both officers and Elected Members. We are writing to make you aware that the strategy is currently in draft form, and we are circulating the link below and inviting people to comment.

The consultation period runs from 1 August until 25 September and will be followed by an action plan. This is an important document affecting all generations and we urge you to read it and respond with any comments.

It would also be greatly appreciated if you would forward it to any other organisation or person you think might be interested. The consultation can be accessed via the following link:

<https://consultation.eastriding.gov.uk/s/DraftClimateChangeStrategyConsultation/>

### Allocation of the Now Campaign Funds

Thank you to everyone who took time to reply back to the letter in the previous edition. The outcome of all the returned slips was a unanimous decision to hold the funds indefinitely to be used as a fighting fund in the future.

The money will be held in the North Frodingham Playing Fields account.

Nick Muirhead

## Fallen headstone

A headstone on the grave of Mary Elizabeth Foley, died 13.01.1897 believed to be the wife of William Foley, is laying down in the graveyard.

Please could a family member or friend of the family contact the parish clerk by emailing [clerk@northfrodinghampc.org](mailto:clerk@northfrodinghampc.org) or telephoning Margaret Rose on 01964 603220 .

Thank you.

## Mature Mayhem

As the name suggests, we are a group of mature people meeting each Friday from 2-4pm in the Village Hall to enjoy the company of like-minded people.

We chat, do some gentle exercises, and play games - table tennis, triominoes and scrabble being the favourites.

If you would like to join us, you will be made very welcome. Why not give it a try?

Joan

## Paperback Book Swap

Runs at the same time as Mature Mayhem. If you want a book to read, we have lots to choose from.

## Neighbourhood Watch

This scam warning is still there.

It has been reported that scammers are STILL contacting people by 'text' or 'WhatsApp', claiming to be family members, saying that their phone has been damaged or stolen.

They give that as the reason their phone number is different, and say they need an urgent money transfer.

Scammers have always been able to work from home, so the pandemic hasn't stopped them.

As always, please, please stay alert.

---

I would like to welcome all the latest members of our village; some have moved in, and others have just been born into the village.

We tend to be a friendly lot, all in all, so we hope you enjoy your stay here.

Welcome to you all.

Respectfully yours, from the NHW committee.

Rob Andrew 488640.

# WOLDS WANDERERS

A hot Sunday in July saw a return to a favourite walk from outside Huggate. Taking the Hawold Bridle Road with its wide-ranging views across the Vale of York, there was a gradual descent into Nettle Dale and a very steep ascent up the other side! Here each July are seen the Marbled White butterflies which were in good numbers but proved too evasive to photograph. Finding a shady spot for lunch at Jessops Plantation, we followed the Wolds Way back to Huggate.

August proved too hot for some so regretfully the planned walk on the heather moors was shelved.

Sun hats and shorts, Nettle Dale – photo thanks to Barbara

# Boat Trips on Driffield Canal

Experience a trip along the canal, taking in the beautiful countryside and diverse wildlife. Trips are available during the day or in the evening and depart from Frodingham Landing.

The 'Navigator' costs £12.50 per person (up to 8) for 30 minutes and includes hot drinks and crisps. The 4 person pedaloos can be hired for £10 for 30 minutes.

Why not make a day of it by and bring along a picnic to enjoy on our new floating picnic area? Hot drinks are also availability to purchase.

Also for hire is a 6 man paddleboard, 3 man canoe and a small motorboat

Registered Charity no: 503430

All trips must be pre-booked by contacting 01262 488599 / 07770 937772 or 01377 270508  
[www.driffieldnavigationtrust.org](http://www.driffieldnavigationtrust.org)

## History Summer Outing Thursday 14<sup>th</sup> July 2022

Our summer trip this year was to three Norman churches. There were nine members of the History group and one visitor to the village.

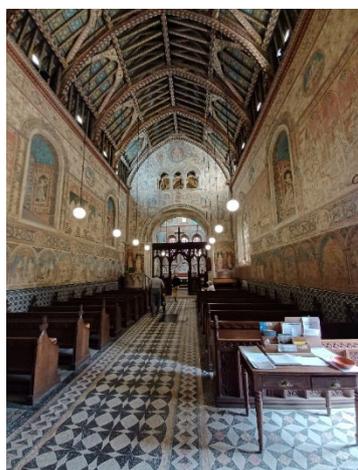

St Marys Church, Kirkburn YO25 9DY was our starting place. Here we are outside the church.

We were met by the churchwarden Derek Megginson who very kindly gave an overview of the church. The Church Yard is a wildflower site around the old gravestones.

Inside there was a really interesting old font with an array of carvings with the nave being of Norman origin.

The second church is St Michaels, Garton YO25 3ES.

This is a stunning church. Well worth a visit to see the paintings and mosaic floor (see above).

Our last stop was St Elgin's North Frodingham. Kathryn our Churchwarden, and Joy our Chairperson were on hand to point out interesting facts.

To round off a really enjoyable day, we had cake and tea and a good discussion on what we had seen.

### Next Meeting

The next meeting will be on Thursday 15 September at 7.30 pm.

Our speaker will be Stuart Bradshaw from Bells Mill.

Everyone welcome.

Thanks

Anne
